

Welcome to Dawson Park

Dawson Park is the result of a bequest in 1940, by Mr William Dawson of Broughty Ferry
 "For the purpose of providing playing fields, sports grounds or other recreational facilities and the upkeep and maintenance thereof...for the citizens of Dundee, and particularly those of Broughty Ferry."

The ground was purchased from the Douglas and Angus Estate in 1949, and the park was opened in the mid 1950's.

The park has feature plantings, a sunken garden, and a formal cherry avenue along the north axis, which is particularly stunning in spring.

Duntrune Community Garden, which aims to provide information and ideas for small gardens, is also located within the heart of the park.

See below for opening times.
