Points of interest

- Visit the Urban Rangers in the park centre and pick up a 'Walk the World' record sheet to help you keep track of your achievements, and find out about their programme of led walks.
- Regular walkers will be able to notice the changes to the park's landscape and buildings over time.
- For a longer walk link to the Swannie Ponds walk.
- Baxter Park is the result of a £50,000 donation from David Baxter and his sisters, who asked Sir Joseph Paxton to design it. Originally it was in the country with no buildings around about.
