

Planting the trees...

Sculpture Circle

Standing tall in Middleton Wood is a circle of carved artworks, symbolising the changing seasons. Set in each are artworks created by local school children hidden behind ice-like resin. Can you find what the children made?

Public Events

Tree-planting and other events run by the Management Team take place several times a year and are great for the whole family.

How to find the Wood

Bus information - Travel Dundee Bus number 17 stops on Berwick Drive and Longhagh Road, 5 minutes' walk to the woodland. Call Traveline on 0870 608 2608 www.traveldundee.co.uk

Dundee's Community Woodland

If you go up to the woods today...

How Middleton Woods has grown...

In 1994,
before work started...

...and the same view in 2007

Before and after...
...what a difference!

The young trees in the fields near Braeview Academy and the Vale of Duntrune are part of Middleton Wood, Dundee's Community Woodland. Tree-planting started in 1993. Many of the young saplings will grow to be grand mature trees for the children of today to enjoy in their retirement.

Middleton Wood is not just for trees, it is...

- a nature area for wildlife
- for public use
- for local participation
- for nature study
- for eventually producing timber for local use

What has been done?

- pine and deciduous wood planted for good biodiversity
- car park and paths created
- rubbish removed
- fun activities
- website
- schools activities

Woodland Activities

Schools

The Management Team and Rangers lead school group activities exploring the wood. We can study trees and wildlife or help the wood to grow with tree-planting or clean-ups. Activities are planned to meet school work.

Fun Events

The Management Team holds events with fun activities for the whole family. Check out the website for the next event which may have trails, wildlife activities and crafts to make and take away. They are always free.

Get Involved!

Middleton Wood needs help to be looked after. If you would like to help with tree-planting days, clean-ups, wildlife surveys etc, we would like to hear from you. Or you could join the Middleton Wood Management Team and help decide what happens here.
