Dear Stewart

Smarter Choices, Smarter Places
Dundee Health Central: Smarter Choices for a Smarter City

I write in support of the above bid from Dundee City Council.

As you are no doubt aware, in the city of Dundee we have a track record of delivering award winning sustainable transport policies and projects, such as Bringing Confidence into Public Transport, SmartBus and leading edge Staff Travel Planning (in partnership with NHS Tayside and the University of Dundee).

Our track record includes on budget, on time delivery, public perception improvements, modal shift and innovation in transport technology, including smartcard ticketing, which will deliver an integrated ticketing service.

I hope that you find this outline proposal challenging enough to allow us to be considered for the next round of bidding.

Yours sincerely

Councillor Fraser Macpherson
Convener of Planning and Transport
