Dear Neil Gellatly

Thank you very much for taking the time to submit a Stage 1 proposal to the Smarter Choices Smarter Places project.

We received 40 proposals in total, although one was later withdrawn. The bids were assessed against the criterion provided. Your proposal for Dundee City Council was successful and I would like to invite you to submit a proposal for Stage 2. The criterion and timelines for Stage 2 are at Annex A.

The list of successful proposals will be posted on our website in the near future on www.scotland.gov.uk/Topics/Transport/sustainable-transport. Please note that the value of proposals selected for Stage 2 significantly exceeds the funds available and so not all will be successful.

Kind regards, Kirsty
