

### **3 SCOTTISH LOW PAY UNIT (AN174-2004)**

The Committee is requested to renew financial assistance to the Scottish Low Pay Unit in 2004/05.

If the net 2004/05 funding required by the Scottish Low Pay Unit was allocated on the basis of population statistics, then the City Council's contribution would be approximately £4,3000.

The Committee is requested to consider approval of a grant of £4,300 to the Scottish Low Pay Unit, for which provision is included in the 2004/05 Revenue Budget of the Finance Department.
