

9 PLANNING AND TRANSPORTATION DEPARTMENT – ESTABLISHMENT OF POST (AN495-2003)

The Planning and Transportation Committee at its meeting on 2nd December, 2002 (Report No. 757-2002) approved the recommendation that the Director of Planning and Transportation and the Assistant Chief Executive (Management) report on the additional staff requirements as a result of the introduction of Decriminalisation of Parking Enforcement in the City.

It is, therefore, recommended that a post of Team Leader (Parking), graded PO11-14, £32,244 - £34,554, be established in the Planning and Transportation Department to manage the introduction, implementation and management of this project.

The cost of the establishment of this post would be £9,874 in the 2003/04 financial year and £39,495 in a full financial year. In 2003/04, this post would be funded from the Car Park Trading Account. In future years, this post would be funded from additional income generated by the Decriminalisation of Parking Enforcement Scheme.
