

10 PLANNING AND TRANSPORTATION DEPARTMENT – CHANGES TO ESTABLISHMENT (AN496-2003)

The Director of Planning and Transportation and Assistant Chief Executive (Management) have reviewed the staffing requirements of the Information and Research Team. As a result of this review, a proportion of the duties and responsibilities of the Senior Planning Officer post that is currently vacant have been redistributed within the team. However, there is a need to establish a Planning Officer post in order to carry out research and information duties.

It is, therefore, proposed to delete one vacant post of Senior Planning Officer, grade PO7-PO10, £29,313 - £31,536, and establish one post of Planning Officer (Information and Research), grade AP1-PO4, £14,211 - £27,015.

This proposal will result in a saving of £8,270 in a full financial year.
