

4 ENVIRONMENTAL HEALTH AND TRADING STANDARDS - REGRADING OF POST - ASSISTANT CONTAMINATED LAND OFFICER (AN88-2005)

Reference is made to Article IX of the minute of meeting of this Committee of 20 October 2003, wherein it was agreed to establish a post of Assistant Contaminated Land Officer, grade AP3, £17,853 - £19,950. Since the establishment of the post, the level of duties and responsibilities has increased and, to reflect this, the Head of Environmental Health and Trading Standards requested the Assistant Chief Executive (Management) to review the grade of the post.

Following this review, it is proposed that the post is regraded to AP4, SCP27-30, £20,211 - £22,374 per annum.

The financial implications associated with this proposal are £2,008 in 2005-2006, £2,769 in 2006-2007 and £3,825 in 2007-2008. These costs are inclusive of employers costs and will be funded from the Environmental Health and Trading Standards Department's revenue budget.

The Committee's approval is sought.
