

REPORT TO: POLICY & RESOURCES COMMITTEE - 22 AUGUST 2011

REPORT ON: REVENUE MONITORING 2011/2012

REPORT BY: DIRECTOR OF FINANCE

REPORT NO: 349-2011

1 PURPOSE OF REPORT

- 1.1 To provide Elected Members with an analysis of the 2011/2012 Projected Revenue Outturn as at 30 June 2011 monitored against the adjusted 2011/2012 Revenue Budget.

2 RECOMMENDATIONS

- 2.1 It is recommended that Elected Members:

- a note that the overall General Fund 2011/2012 Projected Revenue Outturn as at 30 June 2011 shows an overspend of £21,000 against the adjusted 2011/2012 Revenue Budget.
- b note that the Housing Revenue Account as at 30 June 2011 is projecting a breakeven position against the adjusted HRA 2011/2012 Revenue Budget.
- c agree that the Director of Finance will take every reasonable action to ensure that the 2011/2012 Revenue expenditure is below or in line with the adjusted Revenue Budget.
- d instruct the Director of Finance in conjunction with all Chief Officers of the Council to continue to monitor the Council's 2011/2012 Projected Revenue Outturn.

3 FINANCIAL IMPLICATIONS (see Appendix A)

- 3.1 The overall projected 2011/2012 General Fund Revenue outturn position for the City Council shows an overspend of £21,000 based on the financial information available at 30 June 2011. A system of perpetual detailed monitoring will continue to take place up to 31 March 2012 with the objective of the Council achieving a final outturn which is below or in line with the adjusted 2011/2012 Revenue Budget.
- 3.2 The Housing Revenue Account outturn position for 2011/2012 is currently projecting a breakeven position based on the financial information available for the period to 30 June 2011. A system of perpetual detailed monitoring will continue to take place up to 31 March 2012 with the objective of the HRA achieving a final outturn which is below or in line with the adjusted 2011/2012 HRA Revenue Budget.

4 BACKGROUND

- 4.1 Following approval of the Council's 2011/2012 Revenue Budget by the Special Policy and Resources Committee on 10 February 2011 this report is now submitted in order to monitor the 2011/2012 Projected Revenue Outturn position as at 30 June 2011, against the adjusted 2011/2012 Revenue Budget.
- 4.2 This report provides a detailed breakdown of departmental revenue monitoring information along with explanations of material variances against adjusted budgets. Where departments are projecting a significant under or overspend against adjusted budget, additional details have been provided. Where departmental expenditure is on target and no material variances are anticipated, additional information has not been provided.

5 RISK ASSESSMENT

5.1 In preparing the Council's 2011/2012 Revenue Budget, the Director of Finance considered the key strategic, operational and financial risks faced by the Council over this period (please refer to report 73-2011, approved by Special Policy & Resources Committee on 10 February 2011, for further details). In order to alleviate the impact these risks may have should they occur, a number of general risk mitigation factors are utilised by the Council. These include the:

- system of perpetual detailed monthly budget monitoring carried out by departments
- general contingency provision set aside to meet any unforeseen expenditure
- level of general fund balances available to meet any unforeseen expenditure
- level of other cash backed reserves available to meet any unforeseen expenditure
- possibility of identifying further budget savings and efficiencies during the year, if required.

5.2 The key risks in 2011/2012 have now been assessed both in terms of the probability of whether they will occur and the severity of their impact on the Council should they indeed happen. These risks have been ranked as either zero, low, medium or high. Details of this risk assessment, together with other relevant information including any proposed actions taken by the Council to mitigate these risks, are included in Appendix D to this report.

6 GENERAL FUND SERVICES - MONITORING POSITION AS AT 30 JUNE 2011

6.1 The forecast position as at 30 June 2011 for General Fund services is summarised below:

	<u>Adjusted</u> <u>Budget</u> <u>2011/12</u> <u>£000</u>	<u>Forecast</u> <u>2011/12</u> <u>£000</u>	<u>Variance</u> <u>£000</u>
Total Expenditure	357,584	357,605	21
Total Income	<u>(357,584)</u>	<u>(357,584)</u>	<u>-</u>
Forecast Overspend	<u>-</u>	<u>21</u>	<u>21</u>

The forecast position as at 30 June 2011 is shown in more detail in the appendices to this report, as follows:

Appendix A shows the variances between budget and projected outturn for each department/service of the Council.

Appendix B provides detailed explanations for the variances against budget that are shown in Appendix A.

Appendix C lists the budget adjustments that have been undertaken to date. These adjustments include funding transfers and the transfer of budgets between budget headings within the Revenue Budget, allocations from Contingencies and also unspent budgets that have been carried forward from the previous financial year.

Appendix D lists the key strategic, operational and financial risks being faced by the Council. These risks have been assessed and ranked accordingly both in terms of the probability of whether they will occur and the severity of their impact on the Council should they indeed happen. Any changes to the assessment from the previous reporting period, together with any additional comments included, are highlighted in bold type.

- 6.2 The following paragraphs summarise the main areas of variance by department along with appropriate explanations. It should be emphasised that this report identifies projections based on the first three months of the financial year to 30 June 2011. The figures are therefore indicative at this stage and are used by the Chief Executive, Director of Finance and Chief Officers to identify variances against budget and enable corrective action to be taken as appropriate.

Departmental Commentary

6.3 Social Work (£571,000 overspend)

The majority of this overspend reflects continued significant cost pressures surrounding Adult Care. In addition, the department are projecting increased expenditure within Children Services, where family placements are expected to be greater than budgeted due to the increased number of children requiring permanent substitute care away from their birth parents. These variances will be partly offset by savings that are anticipated due to slippage in staff costs across the department.

6.4 Finance Revenues (£250,000 underspend)

This variance reflects projected savings in staff costs mainly due to staff slippage together with various additional income anticipated by the department.

6.5 Capital Financing Costs / IORB (£300,000 underspend)

The above reflects a projected saving due to lower than anticipated interest rates together with a reduction in required level of borrowing due to slippage on expenditure in 2011/12 capital programme.

7 HOUSING REVENUE ACCOUNT - MONITORING POSITION AT 30 JUNE 2011

- 7.1 The forecast position as at 30 June 2011 for the HRA is summarised below:

	<u>Adjusted Budget 2011/12 £000</u>	<u>Forecast 2011/12 £000</u>	<u>Variance £000</u>
Total Expenditure	51,859	52,096	237
Total Income	<u>(51,859)</u>	<u>(52,096)</u>	<u>(237)</u>
Forecast Position	—	—	—

- 7.2 Expenditure on repairs and relets is projected to be greater than budgeted due to increased level of responsive repairs that are currently being carried out on properties together with a projected overspend on lost rents and bad debts following a rise in the number of void properties. These variances are projected to be offset by additional rental income that is anticipated to be received. The overall impact is a breakeven position against the adjusted HRA 2011/2012 Revenue Budget.

8 CONCLUSION

As in previous years, the Director of Finance will work with all Chief Officers of the Council to monitor the Council's 2011/2012 Revenue Budget and, through prudent budget management, take every reasonable action to achieve an outturn position below or in line with the approved 2011/2012 Revenue Budget.

9 POLICY IMPLICATIONS

This report has been screened for any policy implications in respect of Sustainability, Strategic Environmental Assessment, Anti-Poverty, Equality Impact Assessment and Risk Management. Details of the risk assessment are included in Appendix D to this report.

There are no major issues.

10 CONSULTATIONS

The Chief Executive, Depute Chief Executive (Support Services) and all other Chief Officers have been consulted in the calculation of projected outturns included in this report, insofar as they apply to their own individual department.
