

DUNDEE CITY COUNCIL

REPORT TO: Personnel Committee - 20 June 2005

REPORT ON: Employment Equality Monitoring

REPORT BY: Assistant Chief Executive (Management)

REPORT NO.: 411-2005

1 PURPOSE OF REPORT

1.1 The purpose of this report is to advise Committee of the findings of an equality monitoring exercise.

2 RECOMMENDATIONS

2.1 It is recommended that the Committee:

- a) notes the findings of the equality monitoring exercise;
- b) approve the publication of annual equality monitoring statistics every April;
- c) remits the Assistant Chief Executive (Management) to analyse the findings and develop an action plan in conjunction with the Equality and Diversity Team Leader, Communities Department.

3 FINANCIAL IMPLICATIONS

3.1 None.

4 SUSTAINABILITY IMPLICATIONS

4.1 None.

5 EQUAL OPPORTUNITIES IMPLICATIONS

5.1 This report is concerned with the promotion of equality and compliance with the requirements of the Race Relations Act 1976 (as amended by the Race Relations (Amendment) Act 2000) and, in particular, the requirement to carry out monitoring.

6 BACKGROUND

6.1 Local authorities are required by the Race Relations Act 1976 (as amended by the Race Relations (Amendment) Act 2000) to promote race equality in employment. The implications of this legislation were detailed in report 782-2002 which was considered and approved by the Neighbourhood Resources Committee on 11 November 2002. Categories to be monitored were detailed in report 721-2004 which was considered and approved by the Policy and Resources Committee on 8 November 2004.

6.2 The Monitoring allows the Council to highlight possible inequalities, investigate the underlying causes and remove any unfairness or disadvantage in employment and recruitment. Monitoring allows us to check that the Council's equality policies are working.

6.3 At present, the authority has limited systems in place to provide comprehensive statistics with regard to equality monitoring. However, the Council is collecting updated information about its employees as part of the exercise to transfer all departments to a new Personnel/Payroll System. It is anticipated that all departments will have transferred to the new system by October 2006.

6.4 Any category that contains less than five employees does not require to be published due to the possibility that it may lead to the identification of individual employees.

6.5 The Commission for Racial Equality's guidance states that sub-sets of less than 5 should not be published. This guidance also ensures compliance with the Data Protection Act. Sub-sets of less than 5 will be reported as "Less than 5" within the attached appendices.

6.6 In the meantime, the statistics detailed in this report have been generated from a number of different and independent information systems. These systems are as follows:

6.7 **ISIS (Current Personnel System)**

ISIS provides statistics on current employees' ethnic background and gender. Appendix 1 statistics are based on figures at 31 March 2005.

6.8 **Resource Link (New Personnel/Payroll System)**

The authority is currently undertaking an exercise to migrate employee records to Resource Link and the statistics relate to what has been transferred as at 31 March 2005. To date, two departments have transferred to Resource Link. Resource Link can provide information on current employees' ethnic background, gender, disability and religious belief. Please refer to Appendix 2. It is anticipated that Resource Link will become fully operational by October 2006 and, at that time employees who apply for promotion and training; employees who are involved in disciplinary and grievance processes; employees who cease employment; and employees who are undergoing training can be monitored by religious belief, gender, disability and ethnic background. The categories stated in this paragraph adhere to the Commission for Racial Equality's guidance.

6.9 Teachers (Phoenix System)

Phoenix can provide information on ethnic background and gender. The statistics detailed in Appendix 3 are based on September 2004 teacher census returns. A decision has still to be taken as to whether teaching staff will transfer to Resource Link.

6.10 XPT (Recruitment System)

XPT can provide information on job applicants' ethnic background, gender and disability. The statistics outlined in Appendix 4 are based on the period from April 2004 to March 2005. All statistical returns are dependent upon the willingness of job applicants and employees to complete the appropriate documentation.

7 FUTURE ACTIONS

- 7.1 Equality Monitoring statistics will require to be analysed and an action plan prepared to address any issues that arise. The action plan will be subject to review on an annual basis following the publication of the Equality Monitoring statistics.
- 7.2 Equality monitoring statistics will be produced on an annual basis and published every April.

8 CONSULTATION

- 8.1 The Chief Executive, Depute Chief Executive (Finance), Depute Chief Executive (Support Services), Director of Education, and the Head of Communities have been consulted and are in agreement with this report.

9 BACKGROUND PAPERS

- 9.1 None.

J.C. Petrie
Assistant Chief Executive (Management)

10 June 2005

ISIS (CURRENT PERSONNEL SYSTEM)

Ethnic Background	Employees in Post
White	
African-Caribbean	Less than 5
