Dear Sir/Madam

I refer to the recent letter advertising forthcoming changes to residual waste and recycling collections and would now like to inform you of the specific arrangements made for your property.

Your service provision will be:

General Waste

Please continue to use your existing general waste containers. These will now be collected once a fortnight.

Recycling

Communal eurobins to be installed on-street for recycling.

If you currently receive a brown bin collection, your brown bin collection calendar is available at www.dundee.gov.uk/forms/wastemgt_calendars.php

Bring Sites will be installed in your local area for all your glass bottles and jars. Details of your local recycling facilities are available at www.dundee.gov.uk/environment/nrprecycle. Your food and garden waste collection will not change.

Communal Eurobins will be introduced into your street between the 3rd and 4th of April. Please continue to use your existing wheelie bin until the 23rd of April and thereafter please use the communal bins provided. Your wheelie bin will be collected and removed from your property sometime after the 24th of April.
