Closes Walk

Directions

Start at City Square and walk along the Nethergate until you reach St Mary's Church and the Old Steeple. Walk around the back of the church and follow the path round to Market Cross. Cross over the road at the pedestrian crossing and turn left. Turn left again down Union Street to Whitehall Crescent. Turn left onto the Couttie's Wynd, the lane just after Union Street, and walk to the end. Turn Right onto Nethergate and walk and take the close on your right after Whitehall Street. This is known as Harry Ogilvie's Close and emerges on Crichton Street. Turn right here and continue back up Crichton Street to City Square.

Points of interest

- Couttie's Wynd predates AD 1200 and was the principle route between the town centre and the harbour.
