

Oakland Community Link Service

Are you over 65 years old, or have dementia and live in Dundee?

We can support you to access services in your local community

If you would like to request this information in any other format e.g. large print, Braille:
telephone: 01382 435900
or email:
oakland.centre@dundeecity.gov.uk

About the Support Team

We have a team of trained and experienced staff who offer short term support to older people, and people with dementia, who live independently in the community.

How We Do This

We will arrange to visit you and have a chat about areas you would like support with, and outcomes you wish to achieve.

We Can Provide Support With:

- Accessing community facilities or activities
- Independent travel
- Meeting new friends
- Building confidence
- Increasing wellbeing

Will I Have to Pay?

This short term service is free, however there may be costs incurred if you require ongoing support to use some other services or facilities.
