

Declaration:

- I agree to my son/daughter receiving any emergency medical, surgical and dental treatment including anaesthetic and blood transfusion, that may be considered necessary by the attending medical authorities. (Parents / participants with objections to the administration of blood products should contact the programme leader).
- I declare that there is no reason, medical or otherwise why my child should not take part in this course, and I undertake that I have declared the details of any medical treatment my child is receiving and any other matters of which the centre staff should be aware.
- I undertake to notify the relevant programme leader in the event of any changes in fitness or health that may take place prior to the activity.
- I accept that personal belongings, including electronic, mobile phone and photographic equipment, are not covered by Leisure and Culture Dundee and that these specific items are carried at your own risk. Leisure and Culture Dundee will not be held liable for damage to, or loss of, these items.
- I understand that if my child's behaviour jeopardises their own safety or the safety of others, they may be removed from the activity and any additional costs incurred as a result of their actions may be recovered from me.
- I acknowledge if the course is an adventure activity with Ancrum Outdoor Centre the fact that whilst Centre staff will make every effort to care for the safety of your son/daughter, adventurous activities can be dangerous and calculated risk is an intrinsic element of Outdoor Education, risk can never be entirely omitted.
