

#### **4        MENZIESHILL COMMUNITY COUNCIL (AN1-2004)**

The Menzieshill Community Council was established in May 2003 under Dundee City Council's Revised Scheme for the operation of Community Councils.

The Menzieshill Community Council boundaries stretch across three of Dundee City Council's electoral wards (Ninewells, Camperdown and Balgay), and two parliamentary constituencies in Dundee and Angus.

The Community Council boundaries include the Menzieshill area to the south of the Kingsway and the Denhead of Gray/Benvie area to the North of the Kingsway.

For the past six months, the Community Council have found it difficult to find a name which fully reflects their area, without overlapping into the territories of neighbouring Community Councils.

At their meeting on Monday, 1st December, Community Councillors agreed to put forward the proposal to change the name of Menzieshill Community Council to 'Menzieshill, Balgay, Denhead of Gray, Benvie and Gourdie Community Council'.

The Committee are asked to accept the proposed name change and approve a Community Council Administration Grant of £399.00 for the period May 2003 - March 2004, as per the agreed formula contained in Committee Report No 336 - 2002.
