

8 DUNDEE CITY COUNCIL (PERTH ROAD, RIVERSIDE DRIVE AND NINEWELLS AVENUE, DUNDEE) (VARIATION OF SPEED LIMITS) ORDER 2009 (AN3-2009)

Reference is made to Article VI of the minute of meeting of this Committee of 8th September, 2008, wherein it was agreed to authorise the preparation of an Order to improve safety by reducing the current 40 mph speed limit to 30 mph. It should be noted that as the roads affected are unclassified and illuminated they need not appear in the Dundee City Council (Restricted Roads) Order 2007.

The proposed Order was duly drafted and during the statutory consultation period, no adverse comments were received. Several letters of support were submitted by local residents. No further comments have been received from Tayside Police.

The Committee is therefore requested to authorise formal publication of the Order as drafted.
