

7 EDUCATION DEPARTMENT - DELETION OF POST (AN306-2006)

Reference is made to Article VI of the minute of meeting of the Recess Sub Committee of 20th July wherein the Council agreed establish a new post of Public Relations Officer in the Education Department.

The duties of that post had been undertaken previously by an officer who was remunerated on the Quality Improvement Officer grade. The Sub Committee noted that that officer had resigned and that the establishment of the Public Relations Officer on a lower grade would generate a saving to the Education Department.

The Committee is now requested to formally delete the post of Quality Improvement Officer from the establishment of the Education Department.
