

11 PARKS FURNITURE (AN 328-2005)

Quotations were sought for re-cycled plastic seats as part of the future phases of Parks furniture renewal.

It is therefore recommended that 20 recycled plastic seats at a total cost of £4,580 are purchased from Marmax Products Ltd., Co. Durham. In addition a quote of £1,000 was received from Dundee Contract Services for the fitting of the seats.

This expenditure of £5,580 will be met from the Quality of Life funding in 2005/06.
