

## **6 CARPET BEDDING 2005 (AN379-2004)**

The Leisure and Arts Department will have sites available for carpet bedding schemes at the McManus Galleries in 2005. Traditionally these beds are planted to celebrate important events or provide charities the opportunity to depict their logos.

Requests have been received from:

The Rotary Club of Dundee to celebrate the Rotary's Centenary in 2005

Barnardo's Scotland - Celebration of 100 years of the essential legacy left by Dr Thomas Barnardo in 1905

It is recommended that both requests be accepted.
