

10 DUNDEE CITY COUNCIL (PERTH ROAD, RIVERSIDE DRIVE AND NINEWELLS AVENUE, DUNDEE) VARIATION OF SPEED LIMITS) ORDER 2009 (AN48-2009)

Reference is made to Article VI of the minute of meeting of this Committee of 8th September, 2008 wherein the Committee authorised the preparation of an Order to improve safety by reducing the current 40 mph speed limit to 30 mph on the above roads. It should be noted that as the roads affected are unclassified and illuminated they need not appear the Dundee City Council (Restricted Roads) Order 2007.

The proposed Order was duly drafted and during the statutory consultation period no adverse comments were received. Thereafter the Order was duly advertised and there were no objections.

The Committee is therefore requested to make the Order as advertised and remit the Director of Planning and Transportation to implement it.
