

3 MYREKIRK TERRACE – LANDSCAPING OF CLOSED CHILDREN'S PLAYGROUND (AN59-2004)

The Myrekirk Terrace childrens playground was closed through the Council's rationalisation of playgrounds. The site now requires to be landscaped to remove the hard surfacing and mounding to create a more suitable and functional open space and improve the amenity of the surrounding landscape.

It is proposed that the site which is now unkempt with a large area of tarmac is contoured, topsoiled and grassed over and surrounding footpaths and access points reinstated to create an improved amenity area. The estimated cost of this work is £21,060.

The Expenditure can be funded, in part, from the available balance of £7,985 on Dundee Contract Services 2003/04 Capital Budget for Public Open Space Improvements. The remainder of the project cost, which totals £13,075, can be met from the provision of £50,000 in the Department's 2004/05 Capital Budget for similar improvements.

It is recommended that the work be carried out by Dundee Contract Services, Parks Section at an estimated cost of £21,060.
