

#### **4 LEISURE CENTRES - RENTAL AGREEMENT FOR FITNESS EQUIPMENT (AN87-2011)**

Offers for a rental agreement to cover 4 years for the provision, repair and maintenance of fitness equipment at Lochee, DISC, Douglas and Lynch Sport Centre were put out to Tender.

An evaluation on the accepted tenders was carried out and it is recommended that the offer from DG Fitness & Leisure Limited, being the most advantageous, be accepted.

The financial implications of the offer equate to a rental cost, including the repairs and maintenance, at an annual sum of £31,848. This will include new equipment at the four Leisure Centres. The rental agreement will be financed through Leisure and Communities revenue budget over the next four years.

This reflects arrangements with equipment which is rented at Olympia and previously at the four other leisure centres and where the service provided has been excellent to date in terms of response and content.

It is recommended that the rental for four years from DG Fitness & Leisure Ltd, Unit 5, Altens Trade Centre, Hareness Circle, Aberdeen AB12 3LY be agreed.
