

14 FINLATHEN PARK - CONSTRUCTION OF WHEELED SPORTS FACILITY (AN93-2007)

Following discussions with the local community, the Leisure and Communities Department have been asked to provide a wheeled sports facility in Finlathen Park and have it in operation by mid Summer 2007.

In order to achieve these tight timescales, authority is requested for the City Engineer to invite tenders for the above works and for the Depute Chief Executive (Support Services) to accept the most favourable tender as recommended by the City Engineer.

A budget cost allowance of £60,000 has been identified for these works. The Depute Chief Executive (Finance) advises that this can be met as follows:-

Community Regeneration Fund 2007-08	-	£50,000
Quality of Life 2007-08	-	£10,000

Tender details will be reported retrospectively to a future meeting of the Leisure and Arts Services Committee.
