

REPORT TO: DUNDEE CITY COUNCIL EDUCATION COMMITTEE 18 FEBRUARY 2002

REPORT ON: RETAINING RESERVED PLACES IN SCHOOLS 2002 - 2003

REPORT BY: DIRECTOR OF EDUCATION

REPORT NO: 150-2002

1.0 PURPOSE OF REPORT

1.1 In Report 121 – 2001 the Education Committee approved a proposal to retain reserved places in certain schools to accommodate children moving into the catchment area during the school year. The Director of Education was also required to review the allocation of places on an annual basis. This report proposes an allocation of reserved places for session 2002 – 2003.

2.0 RECOMMENDATIONS

2.1 The Education Committee is recommended to approve the proposals to reserve places in schools as set out in Appendix I.

3.0 FINANCIAL IMPLICATIONS

3.1 There are no financial implications from these proposals.

4.0 LOCAL AGENDA 21 IMPLICATIONS

4.1 The proposals are designed to ensure that places are available in local schools for children in the local area avoiding the need to travel to more distant schools.

5.0 EQUAL OPPORTUNITIES IMPLICATIONS

5.1 The proposals seek to ensure that all children in a local area have the opportunity to attend the local school.

6.0 BACKGROUND

6.1 Requests for places in Dundee schools are submitted by 4 February for the school session beginning in August. Places are allocated in accordance with the Council's procedures. Places are allocated first to children in Priority 1 (living in the catchment area or attending an associated primary school). Thereafter any unallocated places are used to meet placing requests from children in Priorities 2, 3 and then 4. Parents of children are notified of places by 18 March. Details of the criteria for

admission to school are given in Appendix II.

6.2 In most schools the system outlined above means that all requests for places can be met. However, in a small number of schools the high demand for places from children living outwith the school catchment area means that all available places are filled at a given stage in the school. This means that families moving into the school catchment area after 18 March may find it difficult or impossible to secure a place in the local school for one or all of their children. This can result in children travelling to more distant schools as the local school is at capacity due to placing requests from outwith the catchment area. In more acute cases this situation can result in children from the same family attending more than one school.

6.3 The Standards in Scotlands Schools Etc. Act 2000 gave local authorities an additional right to refuse a placing request where the placing request is from a child who lives outwith the catchment area and placing the child in the school would prevent the Council from retaining reserved places at the school. Reserved places are defined as those which are reasonably required to accommodate pupils likely to become resident in the catchment area of the school in the school year to which the placing request relates.

7.0 REPORT

7.1 Dundee City Council wishes to see school accommodation used effectively and efficiently. At present 92% of all placing requests are met. To avoid disruption to education and to families it is desirable that places are available to children moving into the catchment area during the year.

7.2 It is proposed that a fixed number of places be reserved for children moving into the catchment area of schools which have previously experienced problems in meeting these requests.

7.3 The schools concerned and the allocation of reserved places for the school session 2002 / 2003 are listed in Appendix I. These numbers have been reviewed in the light of experience gained in session 2001 / 2002 and have been increased where it was felt that the number of retained places did not meet the needs of Priority 1 pupils moving into the school catchment area.

7.4 The allocation of reserved places is reviewed annually by the Director of Education in the light of changing demand for places.

8.0 CONCLUSIONS

8.1 The proposed allocation of reserved places will help to ensure that while parental choice is maintained wherever possible, that will not unduly restrict parents moving into an area from sending their child or children to the local school.

9.0 CONSULTATION

9.1 The Director of Finance and the Director of Support Services and headteachers of city schools have been consulted in the preparation of this report.

10.0 BACKGROUND PAPERS

10.1 No background papers, as defined by Section 50D of the Local Government (Scotland) Act 1973 (other than any containing confidential or exempt information) were relied on to any material extent in preparing the above report.
