**REPORT BY: DIRECTOR OF SOCIAL WORK**

**REPORT NO: 325-2009**

### **1.0 PURPOSE OF THE REPORT**

1.1 This report recommends the level of standard charge to be applied in 2009-10 for local authority residential accommodation for adults and older people

### **2.0 RECOMMENDATIONS**

2.1 It is recommended that the Social Work and Health Committee agrees standard charges for local authority residential accommodation as laid out in Appendix 1.

### **3.0 FINANCIAL IMPLICATIONS**

3.1 The effect of the adoption of these recommended standard charges have been incorporated into the Social Work Department's Revenue Budget 2009-10.

### **4.0 MAIN TEXT**

4.1 The local authority is required by statute to review its charges for residential accommodation for adults and older people each year. The method of calculating charges is prescribed by regulation and guidance and results in a full economic cost being calculated, including overheads and depreciation charge.

4.2 Each resident has a full assessment of their financial circumstances each year, which determines the amount they are required to contribute to the cost of their care. Only those residents with savings in excess of £22,250 or significant weekly income pay the full standard charge for their care. At present no residents pay the full standard charge due to the impact of free personal care. Every resident retains at least £21.15 per week in personal allowance.

### **5.0 POLICY IMPLICATIONS**
