

5A GYPSY/TRAVELLER SITE - BALMUIR WOOD, TEALING (AN340-2005)

The Scottish Executive's Circular, dated 27th July 2005, headed "Gypsy/Traveller Sites - Arrangements for New Funding", invited bids from Local Authorities with a submission deadline of Monday, 5th September 2005.

Given the right timescale available, the Committee is asked to agree in principle to the preparation and submission of a bid.

Consultation with residents of the Site and the Council's Technical Departments is underway with a view to putting forward a range of potential projects for consideration.

A copy of the Scottish Executive's letter, including the guidelines for bids, will be available for scrutiny in the Members Lounge.
