REPORT TO: THE SCRUTINY COMMITTEE – 11 DECEMBER 2013

REPORT ON: CORPORATE PERFORMANCE SELF-ASSESSMENT 2013/2014 -

**REPORT FOR SIX MONTHS TO 30 SEPTEMBER 2013** 

REPORT BY: CHIEF EXECUTIVE

**REPORT NO: 504-2013** 

#### 1 PURPOSE OF REPORT

1.1 The purpose of this report is to advise the Elected Members of the performance of Dundee City Council for the first six months of the financial year to 30 September 2013, as defined by the Key Quarterly Performance Indicators.

#### 2 **RECOMMENDATION**

- 2.1 Elected Members note that performance levels for the first six months of the financial year have generally been maintained or improved.
- 2.2 All Chief Officers should review the contents of Appendix 1 as it relates to their service and consider if there are any indicators for which performance can be improved over the remainder of the 2013/2014 financial year.

#### 3 FINANCIAL IMPLICATIONS

3.1 All initiatives to improve performance must be kept within existing budgets.

# 4 BACKGROUND

- 4.1 The Council has now been monitoring performance on a quarterly basis for a number of years during which time it has became clear that the very process of monitoring performance more frequently than the traditional annually has helped improve performance and in some cases significantly.
- 4.2 In common with other Scottish Councils, Dundee City has now completed its third year of performance self-assessment. Future quarterly performance reports will include those indicators which arise as a result of new service planning activities where possible.

### 5 **PERFORMANCE OVERVIEW**

- 5.1 The key performance indicators to be measured on a quarterly basis are listed in Appendix 1. Performance for each of these has been colour coded with green reflecting a performance improvement >5% and amber denoting performance +/- 5%. Red denotes performance deterioration of >5%.
- 5.2 In Appendix 1 82% of the performance indicators either showed performance being maintained or improved. Eleven indicators suggested a significant deterioration in performance. Fourteen of the indicators demonstrated significant improvement on the same guarter for the previous year.

#### 6 **DUNDEE OUTCOMES**

- 6.1 <u>D01 Dundee will be an internationally recognised city at the heart of a vibrant region with more and better employment opportunities for our people</u>
- 6.1.1 The Council is currently collecting 2 indicators on a quarterly basis in this category for which 100% have improved performance compared to the previous period.
- 6.2 <u>D02 Our people will be better educated and skilled within a city renowned for learning.</u> research innovation and culture
- 6.2.1 The Council is currently collecting 4 indicators on a quarterly basis in this category for which 50% have maintained performance compared to the previous period.
- 6.3 <u>D03 Our children will be safe, healthy, achieving, nurtured, active, respected, responsible and included</u>
- 6.3.1 The Council is currently collecting 5 indicators on a quarterly basis in this category, for which 60% have maintained performance compared to the previous period.
- 6.4 D05 People in Dundee will have improved physical and mental well-being
- 6.4.1 The Council is currently collecting 2 indicators on a quarterly basis in this category, for which 100% have maintained or improved performance compared to the previous period.
- 6.5 <u>D06 People in Dundee are able to live independently and receive support when they</u> need it
- 6.5.1 The Council is currently collecting 3 indicators on a quarterly basis in this category for which 100% have maintained or improved performance compared to the previous period.
- 6.6 D07 Our communities will be safe and feel safe
- 6.6.1 The Council is currently collecting 4 indicators on a quarterly basis in this category for which 50% have maintained or improved performance compared to the previous period.
- 6.7 D08 Dundee will be a fair and socially inclusive city
- 6.7.1 The Council is currently collecting 5 indicators on a quarterly basis in this category for which 100% have improved or maintained performance compared to the previous period.
- 6.8 D09 Our people will live in strong, popular and attractive communities
- 6.8.1 The Council is currently collecting 9 indicators on a quarterly basis in this category for which 78% have maintained or improved performance compared to the previous period.
- 6.9 <u>D010 Our communities will have high quality and accessible local services and facilities</u>
- 6.9.1 The Council is currently collecting 6 indicators on a quarterly basis in this category for which 100% have either maintained or improved performance compared to the previous period.

- 6.10 D011 Our people will live in a low carbon, sustainable city
- 6.10.1 The Council is currently collecting one indicator on a quarterly basis in this category for which has maintained performance compared to the previous period.

### 7 CORPORATE OUTCOMES

- 7.1 <u>C01 Our customers will get the services they need in an efficient and customer</u> focussed manner
- 7.1.1 The Council is currently collecting 18 indicators on a quarterly basis in this category of performance for which 94% either maintained or improved performance compared to the previous period.
- 7.2 <u>C02 Our organisation values and respect its employees so involves all equally in improving our services</u>
- 7.2.1 The Council is currently collecting 3 indicators quarterly in this category for which 67% have maintained or improved performance compared to the previous period.

#### 8 **POLICY IMPLICATIONS**

8.1 This report has been screened for any policy implications in respect of Sustainability, Environment Assessment, Anti-Poverty, Equality Impact Assessment and Risk Management

There are no major issues.

# 9 **CONSULTATION**

9.1 The Director of Corporate Services and Head of Democratic and Legal Services have been consulted on the content of this report.
