Location

Dundee is the regional administration and shopping centre for Tayside, with a population in excess of 148,000 living within Dundee City and a catchment population of over 325,000 living within a 30 minute drive time.

Description

The Central Waterfront is the focal point for redevelopment in Dundee which has involved the demolition of bridge ramps, roads and buildings, which previously separated the City Centre from the Waterfront. The city was also announced as the only UK UNESCO City of Design in 2014.

The subjects are situated to the south of Castle Street, nearby the junction to Exchange Street and perpendicular to the back of the Caird Hall. Castle Street is a busy street and serves as one of the main thoroughfares from the Waterfront to Dundee's primary shopping district.
