LOCATION

Dundee is located on the East Coast of Scotland approximately mid way between Aberdeen (circa 105 kilometres (65 miles) to the north) and Edinburgh (circa 96 kilometres (60 miles) to the south) overlooking the Tay Estuary and has a resident population of circa 155,000 persons and a catchment of some 235,000 persons (Source: Focus).

Dundee is Scotland's fourth largest City and is the regional centre for employment, services and retailing within Tayside.

The City has its own airport with daily flights to London (Stansted) and sits on the main East Coast Railway Line which runs services into London (Kings Cross).

The ongoing regeneration as part of the water front development has been well documented and the construction of the V & A Museum will help establish Dundee as a major regional centre.

The building of which the subjects form a part is located on Albert Square at the corner junction with Chapel Street and the junction with Commercial Street part of the Central Business District.

The property is adjacent to McManus Art Gallery Museum.

Multi storey/public car parking is available in the nearby Wellgate Centre, Gellatly Street, Bell Street and at other City Centre locations nearby.

Surrounding occupiers comprise a mix of local and national retail and office users such as Games Workshop, The Health Food Shop, Cash Generator and Direct Lettings along with Lloyds TSB Bank and Bach café.
