LOCATION

Dundee is located on the East Coast of Scotland overlooking the Tay Estuary and has a resident population of circa 155,000 persons and a catchment of some 235,000 persons (Census 2011). Dundee is Scotland's fourth largest City and is the regional centre for employment, services and retailing within Tayside.

The ongoing regeneration as part of the water front development has been well documented and the construction of the V & A Museum will help establish Dundee as a major regional centre.

The subjects are situated adjacent to Dundee's Kingsway (A90). The Kingsway is the main arterial route through the city connecting to Aberdeen in the north and Glasgow and Edinburgh to the south.

Surrounding properties include industrial/commercial occupiers such as Wright Dental and Winter Simpson.

DESCRIPTION

The premises comprise surplus first floor office accommodation forming part of a detached, modern two storey block. Currently configured as a single suite, it can be sub-divided to suit a tenant's specific requirement.

To the east of the estate there has been significant development including a new pub/restaurant trading as Kingsway Farm, and a number of modern trade counter developments. Directly opposite, Peter Vardy has developed a car showroom site.

AREA

We calculate the subjects extend to approximately 463.7 Sq.M. (4,991 Sq.Ft.) on a Gross Internal Area basis in accordance with RICS Property Measurement Professional Statement (First Edition, May 2015) incorporating the International Property Measurement Standards and the RICS Code of Measuring Practice (Sixth Edition).
