LOCATION

Dundee is located on the East Coast of Scotland approximately mid-way between Aberdeen, circa 105 km (65 miles) to the north and Edinburgh, circa 96 km (60 miles) to the south overlooking the Tay Estuary and has a resident population of circa 155,000 persons and a catchment of some 235,000 persons (Census 2011).

Dundee is Scotland's fourth largest City and is the regional centre for employment, services and retailing within Tayside. The City has its own airport with daily flights to London (Stansted Airport) and sits on the main East Coast Railway Line which runs services into London (Kings Cross).

The ongoing regeneration, as part of the water front development, has been well documented and the construction of the V & A Museum will help establish Dundee as a major regional centre.

The property is located on the north side of Bell Street on the

edge of Dundee City Centre in a mixed residential/commercial location adjacent to Abertay University Campus and Dundee High School. On street car parking is available upon Bell Street. This is a busy location with high levels of footfall generated by both the University and High School.

DESCRIPTION

The property comprises a ground floor and basement newsagents premises trading as 'Bell Street News'.

They are contained within a mid terraced 4 storey, attic and basement building of sandstone construction and with a pitched slate roof over.

The property is accessed via a pedestrian door with automated roller shutter screen protecting the frontage. The accommodation comprises a rectangular shaped sales area with rear W.C. and steps down to a basement storage area.
