Description

The development comprises four terraces of units with central access roads, allocated loading and parking areas situated to the front of the units.

Each unit is of steel portal frame construction and benefits from both vehicle and pedestrian access doors, 3 phase power, a minimum 4 metres eaves height, WC facilities and connectivity to mains power, water and drainage.

The business park is secured with ultra high definition 24hour colour image CCTV with automatic number plate capture, further enhanced with site wide security lighting.

Each unit is secured with a security alarm providing certified security grading, meeting the highest of client and insurance provider requirements.

Access to the business park is controlled via a high security automated sliding gate restricting access to unauthorised vehicles out with business hours. Authorised access is granted 24hours a day with high security access tags providing business users complete peace of mind.

Location

The property is located on the south east side of Tom Johnston Road, within the popular West Pitkerro Industrial Estate, approximately 4 miles north east of Dundee city centre.

West Pitkerro Industrial Estate is a well established business location situated to the north of Broughty Ferry. The subjects are easily accessible from Arbroath Road and are well situated for access to main arterial routes.
