Suite 3 Blyth Building, Michelin Scotland Innivation Parc, Baldovie Road, Dundee, DD4 8UQ

Description

The subjects form part of a detached two storey office pavilion of brick construction under a flat felt roof.

There is one remaining suite at ground floor level which provides a self-contained office which is accessed from the main campus area.

The premises were last used for occupation health purposes and so are currently arranged internally to provide a large reception area, five no. offices / consulting rooms with ancillary store, kitchen and WC facilities. The subjects benefit from a vinyl floor finish throughout, plaster on hard wall, lighting by way of fluorescent strip fitments supplementing natural light provided by double glazed windows, a gas central heating system and a suspended grid ceiling.

Ample car parking is provided on site.

Location

Located to the north east of the town centre, MSIP is ideally situated to not only service the city, but also benefits from quick access to the Kingsway and in turn the A90 connections with Aberdeen (north) and Perth, Edinburgh and the motorway network to the south. The site benefits from excellent transport links including an electric bus connection to Dundee City Centre.

Dundee is an excellent location for business growth and provides an exceptional quality of life with a low cost of living, making MSIP and the city an attractive option for companies seeking quality accommodation in the central belt of Scotland.
