Unit 2, 14 Peter Street, Dundee, DD1 2ET

Description

The subjects comprise a ground floor commercial unit contained within a four storey and attic building of stone wall construction under a pitched and slated roof.

Unit 2 previously traded as a DIY / homeware store. The premises provide substantial retail accommodation arranged internally to provide an open plan front shop area with additional storage, office and WC facilities to the rear.

Natural light is provided by six large single glazed display windows and a glazed recessed pedestrian access door.

Rear access and loading is via a roller shutter door leading to a car parking area accessed off St Andrews Street.

Location

The subjects are located on the north side of Peter Street in the heart of Dundee city centre, in between its junctions with Murraygate, one of the main retailing locations, and Seagate, a busy arterial route in to the city centre.

This is a mixed residential and commercial area, densely populated with tenement style properties predominating. Peter Street is accessed via a pend entrance from Murraygate, with vehicular assess provided from Seagate which has a number of small retail units similar to the subject property.

The surrounding area is undergoing a £1 billion upgrade to transform the city into a world leading waterfront destination for visitors and businesses. The Victoria & Albert Museum, Caird Hall, Dundee Science Museum, City Quay Water Sports Centre, Olympia Leisure Centre, Slessor Gardens and the proposed Eden Project are all within 5 minutes walk.

The new railway station, bus station, Overgate and Wellgate Shopping Centres, Gallagher Retail Park and both the University of Dundee and Abertay are in close proximity.

Accommodation

The following floor areas are calculated on a Net Internal Floor Area basis in accordance with the RICS Code of Measuring Practice (6th Edition)
