- Know their whereabouts:

Be aware of where they spend time when not with you.

- Spend quality time:

Engage with them during evenings and weekends.

- Encourage activities:

Support their involvement in clubs or hobbies.

- Communicate openly:

Foster honest and open conversations.

- Create a safe space:

Make it easy for them to come to you with worries, even after poor decisions.

- Support school attendance:

Ensure they attend school regularly.

- Seek help when needed:

Don't hesitate to reach out for support.

The Community Safety Roadshow is more than just a school event, it's a community-wide effort to help our young people grow up safe, supported, and ready to thrive.
