	<p>Mel Kiyani will represent the Strathmartine LCPP at the first meeting to be held on the 25<sup>th</sup> of June.</p> <p><u>Firework Control Zones</u></p> <p>Gillian Lamb updated the LCPP on the prospect of an area of Kirkton being considered as a Firework Control Zone. However, having looked at recorded incidents around the misuse of fireworks, this is not a high priority area of the city.</p>	
4.	<p><b>What Matters to You Data – Kerstin Jorna / Geoff Leask</b></p> <p>Kerstin presented data she has been gathering on behalf of What Matters to You. The data was themed around criminal justice, household income / universal credit and health. A targeted approach could also apply to support around household's who are struggling financially.</p>

Activities / provision to cater to whole families to address any barriers. Also keen to avoid duplication. This includes transition work with pupils in P7 moving to secondary education. This will involve School &amp; Family Development workers in Primary schools. Active school's co-ordinators will be involved in offering sporting activities throughout the summer holidays.</p> <p>Local community groups, CLD Youth Work are also planning a programme of summer activities in Strathmartine.</p> <p>There will also be an interactive map which will allow parents / carers to see what is on in their area over the summer holidays. This is being led by Children and Families.</p>
