Description:

The National Disability Card makes it easy to show others that you have a disability, helping you to navigate venues and events with ease. It's accepted at 600+ locations in the UK and abroad, including Disneyland Paris, plus card holders can access a wide range of exclusive online shopping discounts.

Cardholders can also order our premium lanyards and official RADAR Key, which provides access to over 10,000 locked disabled toilets across the UK.

Carers who look after a National Disability Card holder are entitled to 25% off the National Carers Card.

The National Disability Card scheme includes:

- The [National Disability Card](#) for disabled persons
- Colourful disability [lanyards](#), including the Verified Invisible Disabilities Lanyard
- The official [RADAR Key](#) for access to disabled toilets nationwide
- Priority access at [Disneyland Paris](#) (with a 25% discount on tickets)
- [Exclusive savings](#) on shopping, days out and events
- 25% off the [National Carers Card](#) for carers

Locality: National Organisation

Age range: 0-99

Referral: We ask applicants to send us a piece of evidence showing that they have a disability. Examples include a copy of the back of a Blue Badge or Disabled Persons' Freedom or Bus Pass, or a letter from a doctor or other relevant medical professional.
