

Welcome to Western Cemetery

Western Cemetery was originally opened by a commercial company in 1845, and then purchased by the City of Dundee District Council in 1979.

Many people of historical interest are buried here including:

- ✎ **James Bowman Lindsay (1799-1862)**
an early experimenter with electricity who, in 1835 demonstrated a 'constant electric light,' 40 years before Thomas Edison.
- ✎ **Preston Watson (1880-1915)**
was an aeronautical pioneer who some claim to have made the worlds first powered flight over the Carse of Gowrie, several months before the Wright brothers in America.
