REQUEST FOR BUILDING STANDARDS SURVEY

(Letter of Comfort for work completed between 15th June 1964 and 30th April 2005)

This service is designed to deal with unauthorised building work that was carried out between 15th June 1964 and 30th April 2005. Building work is deemed to be unauthorised either if no building warrant was obtained or if a warrant was obtained but no completion certificate was issued. We aim to survey the work and if found to be satisfactory issue confirmation that enforcement action will not be pursued.

This confirmation is described as a **Letter of Comfort**.
