Dear Parents,

Mill of Mains Primary School was opened in 1972, is situated on the outskirts of Dundee and serves the children in Mill O’ Mains, Claverhouse, Emmock Woods and Trottick. In our school the work we do is based on our shared vision and values.

Our Vision Statement:
Our vision is to empower our learners to meet new challenges with confidence, enthusiasm, resilience and success.

Our School Values:
Respect, Learn, Happy, Success, Aspire

This handbook will give you an insight into the school. For further information or to arrange a visit please contact the Head Teacher.

V. L. Snee
Head Teacher
Section 2: School Ethos

Our School Aims

• To ensure that all pupils are able to realise their potential through the promotion and recognition of achievement and excellence.

• To equip pupils with the skills, attitudes and expectations required to prosper in a changing society and to encourage creativity and ambition.

• To ensure a broad and balanced curriculum with high quality learning and teaching experiences that enable pupils to enjoy their education and develop positive attitudes towards learning.

• To provide a welcoming, safe and caring environment to ensure good health in all pupils through strategies which promote physical and mental wellbeing and self-esteem.

• To provide effective support systems which include parents, the wider community and external support agencies to enhance the personal and social development of all pupils. Promoting good behaviour, self-discipline and respect for others.

School Clothing Grants

If you are in receipt of Income Support, Job Seekers Allowance - Income Based, Income Related Employment and Support Allowance, Universal Credit (where take home pay is less than £610 per month), Support under Part VI of the Immigration and Asylum Act 1999, Housing Benefit, Council Tax Reduction or Child Tax Credit with an income of less than £16,105 (as assessed by HMRC), you may be entitled to receive a grant towards the cost of buying essential clothing to enable children up to the age of 16 to attend school.

Grants are paid directly into the applicant’s bank account or paid by cheque where the applicant does not have a bank account.

The current value of a Clothing Grant is £100 per child.

Applications forms can be submitted online:

www.dundeecity.gov.uk/eduforms
School Meals

School lunches cost £2.10 per day and all children are provided with a lunch menu by Tayside Contracts.

All children staying for lunches within school will eat in the dining hall. Safety flasks containing hot food may be brought to school, but not the glass vacuum type, which may be dangerous, as they are liable to break. Glass bottles should not be brought to school.

Please inform us in writing if your child has any special dietary needs so that arrangements can be put in place to accommodate their needs.

The dining room is supervised by support staff at all times. Please note that the school does not approve of pupils going out of school to buy their lunch due to safety reasons.

Free School Meals

Free school meals are available to all pupils whose parents receive Income Support, Job Seekers Allowance - Income Based, Income Related Employment and Support Allowance, Universal Credit (where take home pay is less than £610 per month), Support under Part VI of the Immigration and Asylum Act 1999, Child Tax Credit ONLY with an income of less than £16,105, or BOTH Child Tax Credit and Working Tax Credit with an income less than £6,420 (as assessed by HMRC).

Applications forms can be submitted online:
www.dundeecity.gov.uk/eduforms

Instrumental Tuition

Tuition fees are currently free and instrument hire is £85.00 per year.
Payments to Schools

The school currently accepts payments online, using a secure website called ParentPay, for items such as school meals, trips and uniforms. The ParentPay system is easy to use and offers parents the freedom to make payments by debit or credit card, whenever they like, ensuring that monies reach schools safely and securely.

The system helps to remove the costs associated with having to manage cash securely on school premises and it frees up time to better support the smooth running of the school. We will of course continue to accept cash and cheque payments as necessary but we do hope that parents will use the new online facility. The more parents use the service, the greater the benefit to the school, the parents and the pupils alike.

If you already have a ParentPay account you don’t have to do anything. If you haven’t yet activated your ParentPay Account, please contact the school office who will reprint your activation letter to enable you to set up your ParentPay account ready for the start of the new term.

Emergency School Closure Procedures

In exceptional circumstances the school may be unable to function normally. The school may be affected by severe weather or power failures. We shall do all we can to let you know about the details of closure and re-opening through the local radio, press, text messages and letters home. You can be assured that we will never send a child home without first checking that there is an adult at home.

Enrolment & Placing Requests

If you wish to apply for a school place, whether you are moving into Dundee or moving between two Dundee schools, you are required to complete a placing request form. To do this, you
should go direct to the school you wish your child to attend and apply there. Forms can be also downloaded online. (The child’s full birth certificate and a proof of address, in the form of a Tenancy Agreement, Council Tax book or recent (within two months) utilities account must be shown. If you are moving into the area, applications can be made 4 weeks prior to your arrival. Applications are dealt with in date order and the process may take up to 60 days.

Parents of prospective Primary 1 pupils who reside in the school’s catchment area are asked to register their child’s name at the school office between December and the February of the year the child starts school. The child’s full birth certificate and a proof of address, in the form of a Tenancy Agreement, Council Tax book or recent (within two months) utilities account must be shown.

Parents of children living outwith the school’s catchment area, who wish their child to attend the school, are asked to make a placing request. Forms can be obtained from Customer Services, 50 North Lindsay Street, Dundee.

Prospective parents who wish to come to see the school are invited to telephone the school office to make an appointment to visit.

School Absence procedures

Please contact the school as soon as possible if your child is absent. Please send a note to school with your child on their return explaining the reason for the absence.

If your child is absent and no contact is made by you, a text message will be sent from the school. If three days pass without explanation for an absence an School and Family Development Worker will arrange to visit you and your child at home.
The following points are included in the Education Authority’s Attendance Initiative

- If your child is ill and cannot attend school please contact the school before, or as soon as possible after 9.00am on the first day of absence.
- If the absence is planned, e.g. a hospital appointment, we ask you to let us know prior to the absence.
- If your child is absent for more than three days please call again or write to tell us.
- If you have not contacted the school to say your child is absent and have received a text message please contact us as soon as possible.

Regular attendance at school ensures your child is receiving the continuous education they are entitled to. Dundee City Council asks that, where possible, parents do not take children out of school for family holidays during term time. In accordance with Scottish Executive guidelines for pupil attendance, most holidays are recorded as unauthorised unless there is proof from an employer that this is the only time when holidays could be taken.

**Appointments**

If your child has an appointment during the school day or needs to leave school for any other reason, please put this in writing. We would appreciate it if routine appointments could be made outwith school hours but understand that this isn’t always possible.

If your child does need to leave school during the school day they must be collected by a parent/carer at the main reception. In the interest of safety we cannot allow children to leave the school unaccompanied.
Accidents/Illness at School

In the event of a child having an accident or becoming ill at school we will attempt to contact the parents so that they can collect the child from school. However, if we cannot contact the parents, we will contact the Emergency Contact whose name and telephone number should be given to us by the parents.

Therefore it is very important that parents inform the school of the name, address and telephone number of the Emergency Contact and advise the school immediately of any changes that occur.

General Safety

1. Pupils are not allowed to leave the school grounds during interval

2. Pupils staying for school lunches or packed lunches must not leave the grounds during lunch time

3. To ensure the safety of all children, children should behave responsibly both in the playground and within the school

Promoting Positive Behaviour

We believe that everyone at Mill of Mains Primary School has the right to be respected as an individual. Our school strives to create a happy, protective and encouraging environment where our pupils can learn and grow into independent and respectful individuals.
We expect all adults and pupils to:

- Treat each other with courtesy and consideration, by treating others as we wish to be treated ourselves.

- Talk and listen to one another in order to understand and respect each other, making sure we hear all sides and do not jump to conclusions.

- Be fair and consistent to each other, however we recognise that by treating people fairly we may not treat everyone the same.

- Value, take pride in and care for the school by looking after school property and equipment.

We believe that teaching children the skills of self-discipline, cooperation, respect and tolerance towards others are a crucial part of the curriculum.

**School Concerns and Complaints Procedures**

If you want to talk to your child’s teacher or a member of the senior staff it is generally better to make an appointment. This ensures that the member of staff is available, that classes are not disturbed and that pupils’ lessons are not affected.

If you have made a complaint to the school and you are not satisfied with the outcome, you can have your complaint reviewed by a senior officer in the Education Department.

Education Department publications can be found at: [http://www.dundeecity.gov.uk/department-publications/Education](http://www.dundeecity.gov.uk/department-publications/Education)
Section 5: Parental Involvement

Our Parent Council chair at present is Ms Leigh Armstrong. Our Parent Council is a group of parents who have been selected in accordance with the Parent Council constitution to represent all the parents of children at our school. Parents of any child at Mill of Mains Primary can seek to be part of the Parent Council in line with arrangements set out in the constitution.

The aims of the Parent Council are:-

- To work together with everyone involved in school life - parents, learners, teachers, school staff and the wider community
- To make sure that all parents have a say in their children’s education - and are able to express their views and wishes
- To build links between the school, parents, pupils, nurseries and pre-school groups and the community

Our Parent Council meets at least once each term and meetings are open to all parents. Information is included in school newsletters and texts are sent to parents to remind them of the meetings.

Our Parent Council organise various events throughout the year for parents and families. From the money raised in the past, they have purchased additional resources for the school.
Curriculum for Excellence 3-18

Curriculum for Excellence has been introduced to raise standards of learning and teaching for all pre-school to 18 year olds. It aims to help prepare children and young people with the knowledge and skills they need in a fast changing world. As part of Curriculum for Excellence all children from pre-school to the end of S3 will receive a rounded education known as a Broad General Education. Curriculum for Excellence is all about bringing real life into the classroom and taking lessons beyond it.

Through the experiences we provide we want our children to become Successful Learners, Confident Individuals, Responsible Citizens and Effective Contributors. We are committed to providing children with a broad general education and focus on eight curriculum areas.

**Expressive arts:** The inspiration and power of the arts play a vital role in enabling our children and young people to enhance their creative talent and develop their artistic skills.

**Health and wellbeing:** Learning in health and wellbeing ensures that children and young people develop the knowledge, understanding and skills which they need now and in the future to help them with their physical, emotional and social wellbeing.
Section 6: The Curriculum

Science: Science and its practical application in healthcare and industry is central to our economic future, for our health and wellbeing as individuals and as a society.

Social Studies: Through social studies, children and young people develop their understanding of the world by learning about other people and places both past and present, societies, their beliefs and values.

Religious and moral education: Religious and moral education includes learning about Christianity, Islam and other world religions, and supports the development of beliefs and values.

Languages: Knowing other languages and understanding other cultures is a 21st century skill set for students as they prepare to live and work in a global society.

Mathematics: Mathematics equips us with the skills we need to interpret and analyse information, simplify and solve problems, assess risk and make informed decisions.

Technologies: The range of subjects in technical education has changed significantly over the last two decades and now includes craft, design, engineering and graphics.

Getting it Right for Every Child (GIRFEC)

The GIRFEC approach is about how staff in all children’s services meet their needs by working together to ensure that children reach their full potential.

www.scotland.gov.uk/gettingitright

Religious Observance

Through the ethos and curriculum, we provide opportunities for pupils to explore morals and values. We help learners develop their own beliefs, values and a responsible attitude to others. Pupils are encouraged to develop an understanding of Christianity and other religions. Pupils develop skills of reflection, critical thinking and how to act when making moral decisions. The school welcomes diversity and individuality while emphasising our common commitment to moral values such as honesty, respect for others, compassion and justice. It is a fundamental principle of the school that all who are involved in the life of the school have the right to be respected as individuals and carry the responsibility to act in a considerate and respectful manner towards others.

Under the terms of the Education (Scotland) Act 1980 “any pupils may be withdrawn by his/her parents from instruction in religious subjects and from religious observance” Parents wishing to exercise this right should discuss with the Head Teacher.

Sensitive Issues

Part of our curriculum involves teaching the children about issues which could be considered sensitive i.e. sexual health and relationships education or drugs and alcohol awareness. Parents should be assured that whenever these topics arise, we will communicate as appropriate with home. On some occasions we may send a letter just to raise awareness that specific issues are to be covered, on other occasions we will actively seek permission to include your child/children in a series of lessons. If any parent is concerned about what is being covered within the curriculum however, they should feel free to speak to a member of staff about this.
Assessment
Assessment takes place continuously in every classroom within a process known as formative assessment. Teachers observe and talk to children and look at their written work to build up a picture of where each child is in their learning. Assessment tasks are planned and built into day to day learning activities.
From this, teachers help children to see how they can improve and what they need to practise. Self and peer assessment are important parts of this - pupils assess their own learning and help each other to improve.
Within the area of assessment, pupils’ learning progress is also measured using standardised assessments which allow the school to develop diagnostic profiles of pupils’ strengths and development needs. These assessments also allow comparisons with national levels of attainment. Currently, Scottish National Standardised Assessments (a series of computer-based adaptive tasks) are used to support teachers’ judgements of progress in P1, P4 and P7.
The progress of every pupil is tracked throughout their school career. Individual Folios of work, learning journals and other profiles are started in Primary 1 and built upon throughout each child’s school experience. These provide evidence if learning progress and aid reporting to parents/carers.

Reporting to parents
Throughout the year, teachers report to parents in a number of ways relating to the progress of the children. This takes the form of Parents’ Evenings, Primary 7 Profiles, formal reports at the end of the school year and also opportunities for further meetings with staff throughout the year if required.
Building the Curriculum 5: a framework for assessment provides guidance around the assessment framework –

**Transition to Primary 1**

Whether your child is transferring from nursery to Primary 1 or from Primary 7 to secondary school or indeed transferring stage through school they will be entitled to support during this process. School staff make every effort to ensure that important information about your child, their learning and progress and any additional support they require is communicated to the teacher at the next stage of learning. The school encourages parents to discuss these changes and the senior management team will be happy to meet with you to allay any concerns you may have over the new arrangements for your child.

**Transfer to secondary school**

When your child is due to leave the school at the end of Primary 7, he/she will be allocated a place at their catchment school. The move from primary to secondary school can be a daunting step for pupils and parents. To make this time in the pupils’ school career more comfortable, we work closely with secondary schools to provide a range of transitional activities throughout Primary 7. These include Primary School visits from secondary school staff and also a 2 day visit to the secondary school where pupils follow a secondary school timetable. Around this time, secondary staff meet with the Primary 7 teachers to discuss the needs of the children.
Most children make satisfactory progress in school and their education can be fully supported by their class teacher. Some children may, however, need additional support to help them access learning in the classroom. Assessment and planning for their needs will be done through a Child’s Plan which identifies their strengths, barriers to learning and what action or support required to meet their additional needs. A very small number of children with significant and long-term additional support needs may meet the criteria for a Co-ordinated Support Plan. These will be children who receive a lot of support from people outside education; for example, from health and social work staff.

Support for learning takes place in every class and is the responsibility of all staff in the school. All of our pupils are encouraged to work to the highest level of their ability and extra help is available for children who may require it to help them achieve their potential. The Head Teacher, teachers and other staff work closely to ensure that children and young people’s individual learning needs are met.

The work of Support for Learning staff is co-ordinated by the Head Teacher, is regularly reviewed and is based upon pupil need. Support may be given within the class or within another setting, and may be within a group although it is always based upon the needs of the individual child.

The procedures and processes by which an individual child’s needs are identified and addressed are set out in Dundee City Education Department’s policy on Supporting Learners. Central to this is the assessment of need using a staged intervention model and the involvement of parents. We also maintain very valuable partnerships within education and with agencies beyond to support pupils who have additional needs of any kind.

To help assess the specific needs of any pupil who may require extra help the school is able to call upon the services an Educational Psychologist from Dundee Educational Psychology Service. Before such a step is taken, parents are always contacted and the reason for such a referral is fully explained and parental co-operation sought.
As a parent/carer you can access a wide range of information with regard to additional support needs. The information is available both at your local school and on the Dundee City Council website on this internet page [http://www.dundeecity.gov.uk/education/support/](http://www.dundeecity.gov.uk/education/support/).

The following are available for you at the above internet page:

- Supporting Learning (Dundee City Council Education Department, Support for Learning Policy)
- Supporting Learning in Dundee

This internet page also has many other leaflets on related topics which might be of interest to you.

If you cannot access the internet, please ask the School Office if you would like a copy of any of these documents.

The Additional Support for Learning (Scotland) Act 2004 as amended by the 2009 Act came into force on 15 November 2010. The recommendations of the Children and Young People’s Act (2014), in particular the Child’s Plan and the responsibility of the Named Person, also affects how we assess and plan for all children and young people.
Information on additional support needs is also available to you from outside Dundee City Council:

**Enquire - The Scottish Advice Service for Additional Support for Learning**

Operated by Children in Scotland, Enquire offers independent, confidential advice and information on additional support for learning through:

- a telephone helpline - 0845 123 2303
- an email enquiry service - info@enquire.org.uk
- an online enquiry service
- two websites - [www.enquire.org.uk](http://www.enquire.org.uk) (for parents/carers and practitioners) and [www.enquire.org.uk/yp](http://www.enquire.org.uk/yp) (for children and young people)

Enquire also provide a range of clear and easy-to-read guides and fact sheets explaining everything from ‘additional support in the early years’ to ‘what planning should take place for moving on from school’.

**Let’s Talk ASN**

Let’s Talk ASN is a free service for the parents of children with additional support needs who may require support in relation to a dispute or potential dispute with an education authority. It is a joint initiative of Govan Law Centre (Charity No. SC030193) and Kindred Advocacy (Charity No. SC000264). It provides support for parents and young people from the time they have grounds to make a reference to the Additional Support Needs Tribunal for Scotland (ASNTS).

Advice and information regarding this service can be obtained by email or phone-call:

As a school we are continually looking for ways to improve. We do this by reflecting on our current practices, identifying our strengths and specifying areas for development. This session we have been focusing on the following:

1. Raising attainment in literacy with a special focus on writing

2. Raising attainment in numeracy by implementing and embedding conceptual development of number across the school

3. Promoting Health and Wellbeing by developing an environment where all children are met with adults who provide appropriate nurture

4. Tracking and Monitoring by using a wide range of data to plan and track pupil progress, identifying those not achieving expected CfE levels and those in danger of missing out because of the poverty related attainment gap
The involvement of pupils in extra-curricular activities depends very much on the availability of personnel and appropriate expertise. At present, the following activities are offered: (Days and times vary from term to term).

- Football
- Netball
- Athletics
- Scottish Country Dancing
- Dance
- French Knitting
- Homework
- Spanish
- Hockey
- Tennis
- Games & Fitness

Football and netball matches are regularly organised with local school teams.

Sports Development also run Basic Moves classes each week.
Section 10: ScotXed Education Statistics
Privacy Notice for Pupil and Teacher Data

These notices are intended to provide information to pupils, teachers and parents about data collected through Scottish Government Statistical Surveys including why it is needed, data policy and individuals’ data protection rights. The changes in the latest version are intended to:

- Clarify that the information collected is about pupils/teachers in schools rather than solely related to the Pupil or Teacher Census.
- Continue to inform pupils, teachers and parents that the data may be shared with partners for statistics and research purposes and clarify that this could include linkage to other sources in line with the National Data Linkage Guiding Principles.
- Confirm that pupil/teacher names and address (other than postcode) are never collected.

Local authorities are responsible for ensuring pupils, teachers and parents are kept informed about how data will be used and that such information provided is reviewed regularly to ensure it is in line with best practice.

You can access the updated notices at the following links:
