#### **DUNDEE CITY COUNCIL**

#### **Equality and Diversity Rapid Impact Assessment Tool**

## <u>Part 1</u>

Date of assessment 13/11/12	<b>Title of document being assessed</b> Report to Health and Social Work Committee Mackinnon Centre Refurbishment
This is a new policy, procedure, strategy or practice being assessed (If yes please tick box) x	This is an existing policy, procedure, strategy or practice being assessed? (If yes please tick box)
2) Please give a brief description of the policy, procedure, strategy or practice being assessed.	The report accompanies the Social Work Mackinnon Centre Refurbishment Committee Report
3) What is the intended outcome of this policy, procedure, strategy or practice?	The intended outcome is that the refurbishment plans will modernise the building enabling the continued delivery of services to adults with a physical disability and or sensory impairment.
4) Please list any existing documents which have been used to inform this Equality and Diversity Impact Assessment.	The Equality Act 2010
5) Has any consultation, involvement or research with protected characteristic communities informed this assessment? If yes please give details.	The views of people with a Physical Disability and or a Sensory Impairment have influenced the refurbishment plan.
6) Please give details of council officer involvement in this assessment. (E.g. names of officers consulted, dates of meetings etc)	Avril Smith Hope Service Manager
7) Is there a need to collect further evidence or to involve or consult protected characteristics communities on the impact of the proposed policy? (Example: if the impact on a community is not known what will you do to gather the information needed and when will you do this?)	No.

#### Part 2

Which protected characteristics communities will be positively or negatively affected by this policy, procedure or strategy?

NB Please place an X in the box which best describes the "overall" impact. It is possible for an assessment to identify that a positive policy can have some negative impacts and visa versa. When this is the case please identify both positive and negative impacts in Part 3 of this form.

If the impact on a protected characteristic communities are not known please state how you will gather evidence of any potential negative impacts in box Part 1 section 7 above.

	Positively	Negatively	No Impact	Not Known
Ethnic Minority Communities including Gypsies and Travellers	х			
Gender	х			
Gender Reassignment	х			
Religion or Belief	х			
People with a disability	х			
Age	х			
Lesbian, Gay and Bisexual	х			
Socio-economic	х			
Pregnancy & Maternity	х			
Other (please state) Informal Carers	х			

	,
1) Have any positive impacts been	If yes please give further details
identified? (We must ensure at this stage that we are not achieving equality for one strand of equality at the expense of another)	Once the building has been refurbished it is expected to be able to support effective service delivery for all people (with disabilities and or sensory impairment) and their families/carers. This will also include individuals with bariatric care and support needs. People affected by these issues will come from all types of backgrounds and the service anticipates that the refurbishment will mean that equity within Health and Social Care across the protected groups will be achieved.
2) Have any negative impacts	If yes please give further details
been identified? (Based on direct knowledge, published research, community involvement, customer feedback etc. If unsure seek advice from your departmental Equality Champion.)	At present there are no specific negative impacts identified.
3) What action is proposed to	Please give further details
overcome any negative impacts? E.g. involving community groups in the development or delivery of the policy or practice, providing information in community languages etc. see Good Practice on DCC equalities web page	n/a
4) Is there a justification for	If yes please give further details
continuing with this policy even if it cannot be amended or changed to end or reduce inequality without compromising its intended outcome? (If the policy that shows actual or potential unlawful discrimination you must stop and seek legal advice)	n/a
5) Has a 'Full' Equality Impact	If yes please give further details
Assessment been recommended?	n/a
6) How will the policy be	Please give details
monitored? (How will you know it is doing what it is intended to do? e.g. data collection, customer survey etc.	The service will continue to consult with those who use the service and this will include service users, carers and other stakeholders and take appropriate action should any concerns be identified.
