

EU CITIZEN LIVING IN SCOTLAND?

FIND OUT HOW TO ACCESS YOUR DIGITAL PROFILE

WHAT IS A DIGITAL PROFILE?

If you applied to the EU Settlement Scheme, you will have an online UK Visas and Immigration account. Due to UK regulations you will need to use your digital profile if asked to prove your immigration status.

To view your profile, visit www.gov.uk/view-prove-immigration-status

WHY DO I NEED IT?

If you have settled or pre-settled status you must use the online system to prove your immigration status. You can use this service to:
