Publication Rights (additional to above charges):

Non Commercial use	Free
---------------------------	------

The following are examples of re-uses that are considered non-commercial:

- Use in or for exhibitions, shows, events, or similar, including those that are charged-for or advertising-supported, with a projected or planned attendance or capacity of 500 or fewer people in one year
- Use in or for websites and e-publications that are not charged-for, advertising-supported, or intended for business or commercial promotion.
- Use in or for books, leaflets, journals, periodicals, magazines and newspapers, including those that are charged-for or advertising-supported, with a total print or production run of 500 or fewer copies (in all media) over five years
- Use in or for products and merchandising that are charged-for or advertising-supported with a total print or production run of 100 or fewer copies (in all media) over 5 years
- Use in or for films (other than broadcasts and television shows) that are not charged-for, advertising-supported, or intended for business or commercial promotion.
- Use in or for classroom instruction, virtual learning environments, educational courses (whether in person or remote), educational projects, and theses.

Please note that agreement for non-commercial use will still be conditional on receipt of a signed and completed re-use licence
