Dear Claire

**Habitats Regulation Appraisal:
Green Network planning guidance**

Thanks for sending us the Habitats Regulations Appraisal (HRA) screening of your draft Guidance for Green Networks. We hope the following comments are useful to you in finalising the Guidance.

The HRA screening report is both concise and comprehensive, considering all points relevant to the nature of the Guidance which you were screening. While there is no set approach to such an exercise, we welcome the clarity of the screening you have carried out and suggest that this format is used for future screening.

We agree with the rationale set out in points 1 and 2 of the screening report and with the overall conclusion that no further consideration is required.

Please do not hesitate to contact our planning adviser Vivienne Gray (e: viv.gray@snh.gov.uk; t: 0131 316 2644) to discuss further if required.

Yours sincerely
