**PART 2**

An SEA Screening Report is attached for the plan, programme or strategy (PPS) entitled:

Air Quality and Land Use Planning.

The Responsible Authority is:

Dundee City Council

**COMPLETE PART 3 or 4 or 5**

**PART 3**

Screening is required by the Environmental Assessment (Scotland) Act 2005. Our view is that:

- an SEA is required** because the PPS falls under the scope of Section 5(3) of the Act and is likely to have significant environmental effects *or*
- an SEA is required** because the PPS falls under the scope of Section 5(4) of the Act and is likely to have significant environmental effects *or*
- an SEA is not required** because the PPS is unlikely to have significant environmental effects

**PART 4**

- The PPS does not require an SEA under the Act. However, we wish to carry out an SEA on a voluntary basis. We accept that, because this SEA is voluntary, the statutory 28 day timescale for views from the Consultation Authorities cannot be guaranteed.

**PART 5**

- None of the above apply. We have prepared this screening report because:
