## Section 1: Welcome and Vision

Dear Parents,

Welcome to Craigiebarns Primary School.

At Craigiebarns all staff work hard to provide a happy, safe and achieving environment. In turn we expect our pupils to work hard and try their best.

We believe strongly in the benefits of working in close partnership with parents and hope to involve you as fully as possible in your child's learning, school activities and improvements.

This handbook has been designed to provide you with as much information as possible about Craigiebarns Primary School. It should be noted that the information is accurate at the time of issue, December of the current session, and you will be informed of any significant changes in writing.

Thank you for choosing our school.

We look forward to you and your child joining us in Craigiebarns Primary.

Yours sincerely

Julie Lemon  
Head Teacher

## Section 2: School Ethos

We want children at Craigiebarns to be 'Caring, Respectful and respected, Active, Included, Ground-breaking, Independent, Exceptional, Better movers and thinkers, Achieving, Responsible, Nurtured and Safe'.

Weekly assemblies take place when successes and achievements of every kind are celebrated, for example sporting events and participation in competitions. Termly newsletters are sent home which describe the recent events and successes of the school and its pupils. Our end of session prize-giving event is also an opportunity to share and celebrate achievements.

At all stages of the school, we work closely with the local community to enhance the learning experiences for the children. For example, the P7s enjoy an annual Safetaysiders event where they learn about safety. We continue to work closely with students from Dundee College to develop skills in a number of sports e.g. cycling and swimming. They also have a big input to our annual health week. The school has a strong link with our Active Sports Co-ordinator, Funky Feet and Mini Kickers who run clubs in the school to the benefit of the children. For several years we have taken children to the local Servite Housing complex and Craigie House where the children have given gifts of calendars, cards and home baking to the residents. We also donate annually to Dundee Food Bank.

The Youth Worker from Craigiebank Church attends several of our weekly assemblies throughout the session and he runs two 'Explored' lunchtime clubs in the run up to both Christmas and Easter.

## Section 3: School Information

For the first three weeks in the first term (August – early September), Primary 1 will be dismissed at 12.15pm.

### **Office Hours**

The school office is open from 9.00am until 3.15pm.

Please help us by making routine telephone calls within office hours. The answering machine is switched on for your convenience when the school office is unmanned. Please do leave a message and we will return your call as quickly as possible.

Parents can also contact the school by letter, e-mail or can come in to the school office in person to make an enquiry or to arrange an appointment.

The school communicates with parents via home-school diaries, information events, reports, newsletters and our website.

### **Class Organisation**

The organisation of classes may vary from year to year dependent upon certain factors such as the school roll and the number of teachers allocated to the school that session.

At any stage of the school, pupils may be in a straight class which comprises of pupils from the same stage e.g. all Primary 2 pupils or they may be part of a composite class which comprises of pupils from more than one stage, for instance a class with some Primary 2 and some Primary 3 pupils.

You should be confident that the professionalism of the staff in the school will ensure that your child will always work within a programme appropriate for his/her age, ability and aptitude.

## Section 4: School Policies & Practical Information

### School Uniform

There is an expectation for all pupils to wear the correct school uniform. This helps us in our aim of encouraging children to take a pride in their appearance and to have respect for their school.

BOYS	GIRLS
Grey trousers or shorts White or grey shirt with school tie White or red polo shirt Grey or red jumper or sweatshirt	Grey skirt, pinafore or trousers White blouse with school tie White or red polo shirt Grey or red jumper or sweatshirt
Please note that football strips are not to be worn. All items of clothing should be labelled. This assists greatly in recovering lost property.	

### School Clothing Grants

If parents are in receipt of Income Support, Income based Job Seekers Allowance, Income Related Employment and Support Allowance, support under Part VI of the Immigration and Asylum Act 1999, Child Tax Credit or Working Tax Credit and an annual income of less than £16,010, the Authority will consider one application per year for a grant towards the cost of purchasing essential clothing to enable their children, up to the age of 16, to attend school.

The school clothing grant payment will be made through BACS transfer into a nominated bank account or paid by cheque.

Application forms can be made online at:

<https://mydundeeaccount.dundee.gov.uk/secure-info> or are available from the school office or from Dundee House.

## Section 4: School Policies & Practical Information

### School Meals

School lunches cost £2.00 per day and all children are provided with a lunch menu by Tayside Contracts.

All children staying for lunches within school will eat in the dining hall. Safety flasks containing hot food may be brought to school, but not the glass vacuum type, which may be dangerous, as they are liable to break. Glass bottles should not be brought to school.

Please inform us in writing if your child has any special dietary needs so that arrangements can be put in place to accommodate their needs.

The dining room is supervised by support staff at all times. Please note that the school does not approve of pupils going out of school to buy their lunch due to safety reasons.

### Free School Meals

Free school meals are available to all pupils in Primary 1 – 3 from January 2015. For all other stages, free school meals are available to pupils whose parents are in receipt of Income Support, Income based Job Seekers Allowance, Income Related Employment and Support Allowance, Support under Part VI of the Immigration and Asylum Act 1999, Guaranteed Pension Credit, or in receipt of Child Tax Credit only and have an annual income of less than £16,010 or Working Tax Credit and have an annual income of less than £6420.

Application forms can be made online at <https://mydundeeaccount.dundee.gov.uk/secure-info> or are available from the school office or from Dundee House.

### Instrumental Tuition

Tuition fees are currently free and instrument hire is £83.00 per year.

## Section 4: School Policies & Practical Information

### **Emergency School Closure Procedures**

In exceptional circumstances the school may be unable to function normally. The school may be affected by severe weather or power failures. We shall do all we can to let you know about the details of closure and re-opening through the local radio, press, text messages and letters home. You can be assured that we will never send a child home without first checking that there is an adult at home.

### **Enrolment & Placing Requests**

Parents of prospective Primary 1 pupils who reside in the school's catchment area are asked to register their child's name at the school office between December and the February of the year the child starts school. The child's full birth certificate and a proof of address, in the form of a Benefit Book, Council Tax letter or recent (within two months) utilities account must be shown.

Parents of children living out with the school's catchment area, who wish their child to attend the school, are asked to make a placing request. Forms can be obtained from Customer Services, 50 North Lindsay Street, Dundee.

Parents making a successful placing request for the school will be notified of this by Dundee City Council. A planned transition programme, with opportunities for new Primary 1 pupils and parents to learn more about and become familiar with the school, takes place in the summer term.

Parents of children other than Primary 1 beginners may make an appointment to see the Head Teacher regarding enrolment procedures, however all placing requests must be made to the Education Department. Customer Services, 50 North Lindsay Street, Dundee.

Prospective parents who wish to come to see the school are invited to telephone the school office to make an appointment to visit.

## Section 4: School Policies & Practical Information

### School Absence procedures

Please contact the school as soon as possible if your child is absent. Please send a note to school with your child on their return explaining the reason for the absence.

If your child is absent and no contact is made by you, a text message will be sent from the school. If three days pass without explanation for an absence an Education Welfare Officer will arrange to visit you and your child at home.

The following points are included in the Education Authority's Attendance Initiative

- If your child is ill and cannot attend school please contact the school before, or as soon as possible after 9.00am on the first day of absence.
- If the absence is planned, e.g. a hospital appointment, we ask you to let us know prior to the absence.
- If your child is absent for more than three days please call again or write to tell us.
- If you have not contacted the school to say your child is absent and have received a text message please contact us as soon as possible.

Regular attendance at school ensures your child is receiving the continuous education they are entitled to. Dundee City Council asks that, where possible, parents do not take children out of school for family holidays during term time. In accordance with Scottish Executive guidelines for pupil attendance, most holidays are recorded as unauthorised unless there is proof from an employer that this is the only time when holidays could be taken.

A guide for parents about school attendance explains parental responsibilities with regard to children's attendance at school – <http://www.scotland.gov.uk/Publications/2009/12/04134640/0>

## Section 4: School Policies & Practical Information

### Appointments

If your child has an appointment during the school day or needs to leave school for any other reason, please put this in writing. We would appreciate it if routine appointments could be made outwith school hours but understand that this isn't always possible.

If your child does need to leave school during the school day they must be collected by a parent/carer at the main reception. In the interest of safety we cannot allow children to leave the school unaccompanied.

### Accidents/Illness at School

In the event of a child having an accident or becoming ill at school we will attempt to contact the parents so that they can collect the child from school. However, if we cannot contact the parents, we will contact the Emergency Contact whose name and telephone number should be given to us by the parents.

**Therefore it is very important that parents inform the school of the name, address and telephone number of the Emergency Contact and advise the school immediately of any changes that occur.**

### General Safety

1. Pupils are not allowed to leave the school grounds during interval
2. Pupils staying for school lunches or packed lunches must not leave the grounds during lunch time
3. To ensure the safety of all children, children should behave responsibly both in the playground and within the school

## Section 4: School Policies & Practical Information

### Promoting Positive Behaviour

To support our children in becoming responsible citizens we have devised a positive approach to behaviour management. This approach is based on rules, a traffic light card system, rewards and consequences.

Our school rules are - respect yourself, respect others and respect the environment.

Children who keep our school rules are rewarded by a green stamp in their stamp jotter, an extra green playtime on a Friday, Head Teacher certificates and bronze, silver and gold awards.

Consequences for children who break the school rules include turning their card, playtime detention, loss of extra playtime on a Friday and home punishment exercise.

To find out more information, please ask for a parent's leaflet from the school office or look at our website.

### School Concerns and Complaints Procedures

If you want to talk to your child's teacher or a member of the senior staff it is generally better to make an appointment. This ensures that the member of staff is available, that classes are not disturbed and that pupils' lessons are not affected.

If you have made a complaint to the school and you are not satisfied with the outcome, you can have your complaint reviewed by a senior officer in the Education Department.

Education Department publications can be found at:

<http://www.dundecity.gov.uk/department-publications/Education>

## Section 5: Parental Involvement

Close co-operation between the home and school is vital and parents are invited to contact the school to arrange an appointment whenever problems occur or advice is needed. This partnership is, of course, a two-way process.

Each pupil is provided with a pupil planner which creates a positive link between school and home allowing parents/carers to be better informed about their child's learning.

Learning Logs are sent home three times a year. These outline the key learning your child will be doing in Literacy, Numeracy, Health and Well-being and Learning Across the Curriculum. They also give parents advice on how they can support this learning at home.

Two Parent Interviews are held during the school year, usually in September and February. These are opportunities for you to discuss your child's progress in learning with their teacher.

We also encourage parents to join us for concerts, selected assemblies, drama productions, fund raising events and curriculum information meetings arranged from time to time. We further value your assistance on our school trips and in helping with a range of other school activities.

Parents are encouraged to become involved in the life of the school; this includes Craigiebarns Parent Partnership and its fundraising subgroup.

## Section 6: The Curriculum

### Curriculum for Excellence 3-18

Curriculum for Excellence has been introduced to raise standards of learning and teaching for all pre-school to 18 year olds. It aims to help prepare children and young people with the knowledge and skills they need in a fast changing world. As part of Curriculum for Excellence all children from pre-school to the end of S3 will receive a rounded education known as a Broad General Education. Curriculum for Excellence is all about bringing real life into the classroom and taking lessons beyond it.

Through the experiences we provide we want our children to become Successful Learners, Confident Individuals, Responsible Citizens and Effective Contributors. We are committed to providing children with a broad general education and focus on eight curriculum areas.

<b>Expressive Arts</b>	<b>Health &amp; Wellbeing</b>	<b>Languages</b>	<b>Mathematics</b>
<b>Religious &amp; Moral</b>	<b>Sciences</b>	<b>Social Studies</b>	<b>Technologies</b>

Progress in learning is indicated through curriculum levels as detailed below.

<b>Level</b>	<b>Stage</b>
Early	The pre-school years and P1 or later
First	To the end of P4, but earlier or later for some
Second	To the end of P7, but earlier or later for some
Third & Fourth	S1-S3, but earlier for some

**Expressive arts:** The inspiration and power of the arts play a vital role in enabling our children and young people to enhance their creative talent and develop their artistic skills.

**Health and wellbeing:** Learning in health and wellbeing ensures that children and young people develop the knowledge, understanding and skills which they need now and in the future to help them with their physical, emotional and social wellbeing.

## Section 6: The Curriculum

**Science:** Science and its practical application in healthcare and industry is central to our economic future, for our health and wellbeing as individuals and as a society.

**Social Studies:** Through social studies, children and young people develop their understanding of the world by learning about other people and places both past and present, societies, their beliefs and values.

**Religious and moral education:** Religious and moral education includes learning about Christianity, Islam and other world religions, and supports the development of beliefs and values.

**Languages:** Knowing other languages and understanding other cultures is a 21st century skill set for students as they prepare to live and work in a global society.

**Mathematics:** Mathematics equips us with the skills we need to interpret and analyse information, simplify and solve problems, assess risk and make informed decisions.

**Technologies:** The range of subjects in technical education has changed significantly over the last two decades and now includes craft, design, engineering and graphics.

## Section 6: The Curriculum

### **Getting it Right for Every Child (GIRFEC)**

The GIRFEC approach is about how staff in all children's services meet their needs by working together to ensure that children reach their full potential.

[www.scotland.gov.uk/gettingitright](http://www.scotland.gov.uk/gettingitright)

### **Religious Observance**

Through the ethos and curriculum, we provide opportunities for pupils to explore morals and values. We help learners develop their own beliefs, values and a responsible attitude to others. Pupils are encouraged to develop an understanding of Christianity and other religions. Pupils develop skills of reflection, critical thinking and how to act when making moral decisions. The school welcomes diversity and individuality while emphasising our common commitment to moral values such as honesty, respect for others, compassion and justice. It is a fundamental principle of the school that all who are involved in the life of the school have the right to be respected as individuals and carry the responsibility to act in a considerate and respectful manner towards others.

Under the terms of the Education (Scotland) Act 1980 "any pupils may be withdrawn by his/her parents from instruction in religious subjects and from religious observance" Parents wishing to exercise this right should discuss with the Head Teacher.

### **Sensitive Issues**

Part of our curriculum involves teaching the children about issues which could be considered sensitive i.e. sexual health and relationships education or drugs and alcohol awareness. Parents should be assured that whenever these topics arise, we will communicate as appropriate with home. On some occasions we may send a letter just to raise awareness that specific issues are to be covered, on other occasions we will actively seek permission to include your child/ children in a series of lessons. If any parent is concerned about what is being covered within the curriculum however, they should feel free to speak to a member of staff about this.

## Section 6: The Curriculum

### Assessment

Assessment takes place continuously in every classroom within a process known as formative assessment. Teachers observe and talk to children and read their written work to build up a picture of where each child is in their learning. From this, the children are given information about and helped to see how they can improve and what they need to practise. Pupil performance is also measured using standardised assessments which allow measurement of value added by the school as well as giving diagnostic profiles of pupils' strengths and development needs.

Baseline Assessment is carried out in Primary 1 using the PIPS computerised assessment, and this is repeated at the end of P1. In P4 and in P6 pupils undertake INCAS assessments, another computerised assessment which gives standardised information about pupil progress which teachers use to plan next steps in learning.

Every pupil has an individual Work Folio started in Primary 1. This contains examples of work from a wide range of activities and is added to as a child moves through the school.

### Reporting to parents

Throughout the year, teachers report to parents in a number of ways relating to the progress of the children. This takes the form of Parents' Evenings, Primary 7 Profiles, formal reports at the end of the school year and also opportunities for further meetings with staff throughout the year if required.

Building the Curriculum 5: a framework for assessment provides guidance around the assessment framework –

## Section 6: The Curriculum

### **Transition to Primary 1**

Whether your child is transferring from nursery to Primary 1 or from Primary 7 to secondary school or indeed transferring stage through school they will be entitled to support during this process. School staff make every effort to ensure that important information about your child, their learning and progress and any additional support they require is communicated to the teacher at the next stage of learning.

The school encourages parents to discuss these changes and the senior management team will be happy to meet with you to allay any concerns you may have over the new arrangements for your child.

### **Transfer to secondary school**

When your child is due to leave the school at the end of Primary 7, he/she will be allocated a place at their catchment school. The move from primary to secondary school can be a daunting step for pupils and parents. To make this time in the pupils' school career more comfortable, we work closely with secondary schools to provide a range of transitional activities throughout Primary 7. These include Primary School visits from secondary school staff and also a 2 day visit to the secondary school where pupils follow a secondary school timetable. Around this time, secondary staff meet with the Primary 7 teachers to discuss the needs of the children.

## Section 7: Support for Pupils

Most children make satisfactory progress in school and their education can be fully supported by their class teacher. Some children may, however, need additional support to help them access learning in the classroom. Assessment and planning for their needs will be done through a Child's Plan which identifies their strengths, barriers to learning and what action or support required to meet their additional needs. A very small number of children with significant and long-term additional support needs may meet the criteria for a Co-ordinated Support Plan. These will be children who receive a lot of support from people outside education; for example, from health and social work staff.

Support for learning takes place in every class and is the responsibility of all staff in the school. All of our pupils are encouraged to work to the highest level of their ability and extra help is available for children who may require it to help them achieve their potential. The Head Teacher, teachers and other staff work closely to ensure that children and young people's individual learning needs are met.

The work of Support for Learning staff is co-ordinated by the Head Teacher, is regularly reviewed and is based upon pupil need. Support may be given within the class or within another setting, and may be within a group although it is always based upon the needs of the individual child.

The procedures and processes by which an individual child's needs are identified and addressed are set out in Dundee City Education Department's policy on Supporting Learners. Central to this is the assessment of need using a staged intervention model and the involvement of parents. We also maintain very valuable partnerships within education and with agencies beyond to support pupils who have additional needs of any kind.

To help assess the specific needs of any pupil who may require extra help the school is able to call upon the services of an Educational Psychologist from Dundee Educational Psychology Service. Before such a step is taken, parents are always contacted and the reason for such a referral is fully explained and parental co-operation sought.

## Section 7: Support for Pupils

As a parent/carer you can access a wide range of information with regard to additional support needs. The information is available both at your local school and on the Dundee City Council website on this internet page <http://www.dundee.gov.uk/education/support/>

The following are available for you at the above internet page.

- Assessing Additional Support Needs
- Attending Pupil Support Planning Meetings
- Co-ordinated Support Plan

## Section 8: School Improvement

A School Improvement Plan 2012-2015 has been written which outlines the plans for future improvement of the school's performance over three years. A summary of the main improvements achieved during the past 12 months is listed below:

- A new format for maths lessons was introduced. Teachers have commented on the difference this has made to the pace of maths lessons as well as improvements to children's mental agility. A focus on mental maths continues with the purchase of additional materials and training for staff.
- All staff have now been trained in Co-operative Learning, a city-wide initiative. Co-operative learning strategies are now used at every stage to promote active learning and involvement of pupils in their learning.
- Read, Write, Inc. is a new reading programme which was introduced in August 2013. Nearly all children made better than expected progress.
- Health and Well-being grids were created to ensure breadth and balance of the curriculum at each stage.
- New resources were purchased for art and music to ensure progression of skills as children move up the school. Three sessions of CPD were provided by Cheryl McDermid on printmaking, felt making and mosaic. These have given staff the confidence to use these techniques with children.

## Section 9: Extra Curricular Activities

The involvement of pupils in extra-curricular activities depends very much on the availability of personnel and appropriate expertise. At present, the following activities are offered (days and times vary from term to term): Football; Netball; Hockey; Ukulele; Funky Feet; Basketball; Lunchtime Club, Craft Club.
