## Section 1: Welcome and Vision

Dear Parents,

Getting It Right for Every Child (GIRFEC) is a national programme to improve outcomes for children and young people in Scotland. It aims to ensure that all children and young people get the help they need when they need it. Getting it right is at the centre of Scottish Government policy for children and young people and is important for our children here at Rowantree. This can only be achieved through working in partnerships with you the parents, the community and other services, an approach which the school fully embraces.

It is therefore essential that school and parents work together helping each other to ensure the best start in life for our children. We would encourage parents to take an interest in all aspects of school life not just concerning the behaviour of their children but including the children's school work, extra -curricular activities such as concerts, fund raising etc., sporting activities such as netball, football and swimming and so on.

Our vision, that every one in our school community grows to his/ her own full potential within a caring and secure environment so that everyone can make a valuable contribution to society.

Yours sincerely,

Mrs Emily O'Neill  
Head Teacher

## Section 2: School Ethos

Here at Rowantree the staff are committed to providing an excellent, relevant education for all of our pupils irrespective of race, culture, religion and ability in an encouraging, caring environment where everyone will feel secure and valued, having their efforts and achievements recognised. The school aims for our pupils to become successful, confident, life-long, independent learners and thinkers developing respect and understanding for each other and the wider world.

Our overall aim is that we want - everyone in school to be happy, safe and the very best that they can be.

At the very heart of this are our school values which are:

**R** - Respect, everyone is treated with respect

**O** - Opportunities, we will provide different opportunities for our community

**W** - Well-being, we will look after everyone's well being

**A** - Achieving, we want everyone to reach their full potential

**N** - Nurtured, we want everyone to feel safe and looked after

**T** - Trust, we value telling the truth at all times

**R** - Responsible, to look after each other, our things and take responsibility for our own actions

**E** - Equality, everyone will be treated the same regardless of race, colour and ability

**E** - Everyone, our values and rules apply to everyone in our school community, the staff, the pupils, parents and any visitors.

## Section 3: School Information

For the first three weeks in the first term (August – early September), Primary 1 will be dismissed at 12.15pm.

### **Office Hours**

The school office is open from 8.00am - 3.45pm.

Please help us by making routine telephone calls within office hours. The answering machine is switched on for your convenience when the school office is unmanned. Please do leave a message and we will return your call as quickly as possible.

Please remember to keep the school informed of any changes to your contact details, especially mobile phone numbers, so we can ensure a prompt response.

The school office can also be contacted by email at [rowantree.primary@dundeecity.gov.uk](mailto:rowantree.primary@dundeecity.gov.uk).

### **Class Organisation**

The organisation of classes may vary from year to year dependent upon certain factors such as the school roll and the number of teachers allocated to the school that session.

At any stage of the school, pupils may be in a straight class which comprises of pupils from the same stage e.g. all Primary 2 pupils or they may be part of a composite class which comprises of pupils from more than one stage, for instance a class with some Primary 2 and some Primary 3 pupils.

You should be confident that the professionalism of the staff in the school will ensure that your child will always work within a programme appropriate for his/her age, ability and aptitude.

## Section 4: School Policies & Practical Information

### School Uniform

There is an expectation for all pupils to wear the correct school uniform. This helps us in our aim of encouraging children to take a pride in their appearance and to have respect for their school.

<b>BOYS</b>	<b>GIRLS</b>
Black Trousers or Shorts White Shirt or Polo Shirt Rowantree Primary School Tie Navy Blue or black Sweatshirt (no logos) Black Shoes  Gym Kit: White T-Shirt, Navy/ black shorts, Gym Shoes or Trainers	Black Skirt/Pinafore or Trousers White Shirt or Polo Shirt Rowantree Primary School Tie Navy Blue / Black Sweatshirt or Cardigan Black Shoes  Gym Kit: White T-Shirt, Navy/ black Shorts, Gym Shoes or Trainers
Please note that football strips are not to be worn. All items of clothing should be labelled. This assists greatly in recovering lost property.	

### School Clothing Grants

If parents are in receipt of Income Support, Income based Job Seekers Allowance, Income Related Employment and Support Allowance, support under Part VI of the Immigration and Asylum Act 1999, Child Tax Credit or Working Tax Credit and an annual income of less than £16,010, the Authority will consider one application per year for a grant towards the cost of purchasing essential clothing to enable their children, up to the age of 16, to attend school. The school clothing grant payment will be made through BACS transfer into a nominated bank account or paid by cheque.

Application forms can be made online at:

<https://mydundeeaccount.dundee.gov.uk/secure-info> or are available from the school office or from Dundee House.

## Section 4: School Policies & Practical Information

### School Meals

School lunches cost £2.00 per day and all children are provided with a lunch menu by Tayside Contracts.

All children staying for lunches within school will eat in the dining hall. Safety flasks containing hot food may be brought to school, but not the glass vacuum type, which may be dangerous, as they are liable to break. Glass bottles should not be brought to school.

Please inform us in writing if your child has any special dietary needs so that arrangements can be put in place to accommodate their needs.

The dining room is supervised by support staff at all times. Please note that the school does not approve of pupils going out of school to buy their lunch due to safety reasons.

### Free School Meals

Free school meals are available to all pupils in Primary 1 – 3 from January 2015. For all other stages, free school meals are available to pupils whose parents are in receipt of Income Support, Income based Job Seekers Allowance, Income Related Employment and Support Allowance, Support under Part VI of the Immigration and Asylum Act 1999, Guaranteed Pension Credit, or in receipt of Child Tax Credit only and have an annual income of less than £16,010 or Working Tax Credit and have an annual income of less than £6420.

Application forms can be made online at <https://mydundeeaccount.dundee.gov.uk/secure-info> or are available from the school office or from Dundee House.

### Instrumental Tuition

Tuition fees are currently free and instrument hire is £83.00 per year.

## Section 4: School Policies & Practical Information

### **Emergency School Closure Procedures**

In exceptional circumstances the school may be unable to function normally. The school may be affected by severe weather or power failures. We shall do all we can to let you know about the details of closure and re-opening through the local radio, press, text messages and letters home. You can be assured that we will never send a child home without first checking that there is an adult at home.

### **Enrolment & Placing Requests**

Parents of prospective Primary 1 pupils who reside in the school's catchment area are asked to register their child's name at the school office between December and the February of the year the child starts school. The child's full birth certificate and a proof of address, in the form of a Benefit Book, Council Tax letter or recent (within two months) utilities account must be shown.

Parents of children living out with the school's catchment area, who wish their child to attend the school, are asked to make a placing request. Forms can be obtained from Customer Services, 50 North Lindsay Street, Dundee.

Parents making a successful placing request for the school will be notified of this by Dundee City Council. A planned transition programme, with opportunities for new Primary 1 pupils and parents to learn more about and become familiar with the school, takes place in the summer term.

Parents of children other than Primary 1 beginners may make an appointment to see the Head Teacher regarding enrolment procedures, however all placing requests must be made to the Education Department. Customer Services, 50 North Lindsay Street, Dundee.

Prospective parents who wish to come to see the school are invited to telephone the school office to make an appointment to visit.

## Section 4: School Policies & Practical Information

### School Absence procedures

Please contact the school as soon as possible if your child is absent. Please send a note to school with your child on their return explaining the reason for the absence.

If your child is absent and no contact is made by you, a text message will be sent from the school. If three days pass without explanation for an absence an Education Welfare Officer will arrange to visit you and your child at home.

The following points are included in the Education Authority's Attendance Initiative

- If your child is ill and cannot attend school please contact the school before, or as soon as possible after 9.00am on the first day of absence.
- If the absence is planned, e.g. a hospital appointment, we ask you to let us know prior to the absence.
- If your child is absent for more than three days please call again or write to tell us.
- If you have not contacted the school to say your child is absent and have received a text message please contact us as soon as possible.

Regular attendance at school ensures your child is receiving the continuous education they are entitled to. Dundee City Council asks that, where possible, parents do not take children out of school for family holidays during term time. In accordance with Scottish Executive guidelines for pupil attendance, most holidays are recorded as unauthorised unless there is proof from an employer that this is the only time when holidays could be taken.

A guide for parents about school attendance explains parental responsibilities with regard to children's attendance at school – <http://www.scotland.gov.uk/Publications/2009/12/04134640/0>

## Section 4: School Policies & Practical Information

### Appointments

If your child has an appointment during the school day or needs to leave school for any other reason, please put this in writing. We would appreciate it if routine appointments could be made outwith school hours but understand that this isn't always possible.

If your child does need to leave school during the school day they must be collected by a parent/carer at the main reception. In the interest of safety we cannot allow children to leave the school unaccompanied.

### Accidents/Illness at School

In the event of a child having an accident or becoming ill at school we will attempt to contact the parents so that they can collect the child from school. However, if we cannot contact the parents, we will contact the Emergency Contact whose name and telephone number should be given to us by the parents.

**Therefore it is very important that parents inform the school of the name, address and telephone number of the Emergency Contact and advise the school immediately of any changes that occur.**

### General Safety

1. Pupils are not allowed to leave the school grounds during interval
2. Pupils staying for school lunches or packed lunches must not leave the grounds during lunch time
3. To ensure the safety of all children, children should behave responsibly both in the playground and within the school

## Section 4: School Policies & Practical Information

### Promoting Positive Behaviour

Certain standards of behaviour are required for the benefit of all pupils and we are confident that you will continue to support the school in the maintenance of such standards, which help to ensure your child makes the most of their time in school. We recognise that the majority of our children are well behaved and this is recognised and rewarded through out 'Good to be Green' behaviour policy. You will be provided with a separate information leaflet when your child comes to school. Your child will also sign our Code of Conduct agreeing to abide by our school rules which are:

1. Be kind and polite and always show respect.
2. Take care of each other.
3. Take care of everything in our school.
4. Always do and be the best because we are the best!

Parents/carers will be involved at an early stage if particular problems arise.

### School Concerns and Complaints Procedures

If you want to talk to your child's teacher or a member of the senior staff it is generally better to make an appointment. This ensures that the member of staff is available, that classes are not disturbed and that pupils' lessons are not affected.

If you have made a complaint to the school and you are not satisfied with the outcome, you can have your complaint reviewed by a senior officer in the Education Department.

Education Department publications can be found at:

<http://www.dundecity.gov.uk/department-publications/Education>

## Section 5: Parental Involvement

At Rowantree we recognise the importance of the parent/carer as the prime educator of their child. We hope that parents and carers will always inform us of important achievements and events in their child's home life. We aim to develop and maintain contact with parents/carers through the following:

- Parents' Booklet - Given to all new entrants
- Termly Newsletters - Giving information re school events
- Pupil Progress Reports - Issued yearly to parents
- Primary 1 intake - Parents come into school with their children to meet and speak with teachers
- Open Days and Evenings - Held twice yearly for parents to discuss pupils progress with teacher
- Invitations to School Assemblies
- Curriculum Events - Health Week, Curriculum and Open Afternoons, Specific events e.g. visiting specialists
- Fund raising and social events - Bingo evenings, School Sports, School Concerts

We have an Open Door Policy that encourages parents to come into school to discuss any concerns or to offer parents advice on how to support their child's learning. You are more than welcome to attend the events throughout the year and also to make an appointment, through the school office, to discuss concerns/ advice/share achievements.

We would also encourage you to be part of our school community by engaging with our Parent Council which supports the work of the school.

## Section 6: The Curriculum

### Curriculum for Excellence 3-18

Curriculum for Excellence has been introduced to raise standards of learning and teaching for all pre-school to 18 year olds. It aims to help prepare children and young people with the knowledge and skills they need in a fast changing world. As part of Curriculum for Excellence all children from pre-school to the end of S3 will receive a rounded education known as a Broad General Education. Curriculum for Excellence is all about bringing real life into the classroom and taking lessons beyond it.

Through the experiences we provide we want our children to become Successful Learners, Confident Individuals, Responsible Citizens and Effective Contributors. We are committed to providing children with a broad general education and focus on eight curriculum areas.

<b>Expressive Arts</b>	<b>Health &amp; Wellbeing</b>	<b>Languages</b>	<b>Mathematics</b>
<b>Religious &amp; Moral</b>	<b>Sciences</b>	<b>Social Studies</b>	<b>Technologies</b>

Progress in learning is indicated through curriculum levels as detailed below.

<b>Level</b>	<b>Stage</b>
Early	The pre-school years and P1 or later
First	To the end of P4, but earlier or later for some
Second	To the end of P7, but earlier or later for some
Third & Fourth	S1-S3, but earlier for some

**Expressive arts:** The inspiration and power of the arts play a vital role in enabling our children and young people to enhance their creative talent and develop their artistic skills.

**Health and wellbeing:** Learning in health and wellbeing ensures that children and young people develop the knowledge, understanding and skills which they need now and in the future to help them with their physical, emotional and social wellbeing.

## Section 6: The Curriculum

**Science:** Science and its practical application in healthcare and industry is central to our economic future, for our health and wellbeing as individuals and as a society.

**Social Studies:** Through social studies, children and young people develop their understanding of the world by learning about other people and places both past and present, societies, their beliefs and values.

**Religious and moral education:** Religious and moral education includes learning about Christianity, Islam and other world religions, and supports the development of beliefs and values.

**Languages:** Knowing other languages and understanding other cultures is a 21st century skill set for students as they prepare to live and work in a global society.

**Mathematics:** Mathematics equips us with the skills we need to interpret and analyse information, simplify and solve problems, assess risk and make informed decisions.

**Technologies:** The range of subjects in technical education has changed significantly over the last two decades and now includes craft, design, engineering and graphics.

## Section 6: The Curriculum

### **Getting it Right for Every Child (GIRFEC)**

The GIRFEC approach is about how staff in all children's services meet their needs by working together to ensure that children reach their full potential.

[www.scotland.gov.uk/gettingitright](http://www.scotland.gov.uk/gettingitright)

### **Religious Observance**

Through the ethos and curriculum, we provide opportunities for pupils to explore morals and values. We help learners develop their own beliefs, values and a responsible attitude to others. Pupils are encouraged to develop an understanding of Christianity and other religions. Pupils develop skills of reflection, critical thinking and how to act when making moral decisions. The school welcomes diversity and individuality while emphasising our common commitment to moral values such as honesty, respect for others, compassion and justice. It is a fundamental principle of the school that all who are involved in the life of the school have the right to be respected as individuals and carry the responsibility to act in a considerate and respectful manner towards others.

Under the terms of the Education (Scotland) Act 1980 "any pupils may be withdrawn by his/her parents from instruction in religious subjects and from religious observance" Parents wishing to exercise this right should discuss with the Head Teacher.

### **Sensitive Issues**

Part of our curriculum involves teaching the children about issues which could be considered sensitive i.e. sexual health and relationships education or drugs and alcohol awareness. Parents should be assured that whenever these topics arise, we will communicate as appropriate with home. On some occasions we may send a letter just to raise awareness that specific issues are to be covered, on other occasions we will actively seek permission to include your child/ children in a series of lessons. If any parent is concerned about what is being covered within the curriculum however, they should feel free to speak to a member of staff about this.

## Section 6: The Curriculum

### Assessment

Assessment takes place continuously in every classroom within a process known as formative assessment. Teachers observe and talk to children and read their written work to build up a picture of where each child is in their learning. From this, the children are given information about and helped to see how they can improve and what they need to practise. Pupil performance is also measured using standardised assessments which allow measurement of value added by the school as well as giving diagnostic profiles of pupils' strengths and development needs.

Baseline Assessment is carried out in Primary 1 using the PIPS computerised assessment, and this is repeated at the end of P1. In P4 and in P6 pupils undertake INCAS assessments, another computerised assessment which gives standardised information about pupil progress which teachers use to plan next steps in learning.

Every pupil has an individual Work Folio started in Primary 1. This contains examples of work from a wide range of activities and is added to as a child moves through the school.

### Reporting to parents

Throughout the year, teachers report to parents in a number of ways relating to the progress of the children. This takes the form of Parents' Evenings, Primary 7 Profiles, formal reports at the end of the school year and also opportunities for further meetings with staff throughout the year if required.

Building the Curriculum 5: a framework for assessment provides guidance around the assessment framework –

## Section 6: The Curriculum

### **Transition to Primary 1**

Whether your child is transferring from nursery to Primary 1 or from Primary 7 to secondary school or indeed transferring stage through school they will be entitled to support during this process. School staff make every effort to ensure that important information about your child, their learning and progress and any additional support they require is communicated to the teacher at the next stage of learning.

The school encourages parents to discuss these changes and the senior management team will be happy to meet with you to allay any concerns you may have over the new arrangements for your child.

### **Transfer to secondary school**

When your child is due to leave the school at the end of Primary 7, he/she will be allocated a place at their catchment school. The move from primary to secondary school can be a daunting step for pupils and parents. To make this time in the pupils' school career more comfortable, we work closely with secondary schools to provide a range of transitional activities throughout Primary 7. These include Primary School visits from secondary school staff and also a 2 day visit to the secondary school where pupils follow a secondary school timetable. Around this time, secondary staff meet with the Primary 7 teachers to discuss the needs of the children.

## Section 7: Support for Pupils

Most children make satisfactory progress in school and their education can be fully supported by their class teacher. Some children may, however, need additional support to help them access learning in the classroom. Assessment and planning for their needs will be done through a Child's Plan which identifies their strengths, barriers to learning and what action or support required to meet their additional needs. A very small number of children with significant and long-term additional support needs may meet the criteria for a Co-ordinated Support Plan. These will be children who receive a lot of support from people outside education; for example, from health and social work staff.

Support for learning takes place in every class and is the responsibility of all staff in the school. All of our pupils are encouraged to work to the highest level of their ability and extra help is available for children who may require it to help them achieve their potential. The Head Teacher, teachers and other staff work closely to ensure that children and young people's individual learning needs are met.

The work of Support for Learning staff is co-ordinated by the Head Teacher, is regularly reviewed and is based upon pupil need. Support may be given within the class or within another setting, and may be within a group although it is always based upon the needs of the individual child.

The procedures and processes by which an individual child's needs are identified and addressed are set out in Dundee City Education Department's policy on Supporting Learners. Central to this is the assessment of need using a staged intervention model and the involvement of parents. We also maintain very valuable partnerships within education and with agencies beyond to support pupils who have additional needs of any kind.

To help assess the specific needs of any pupil who may require extra help the school is able to call upon the services an Educational Psychologist from Dundee Educational Psychology Service. Before such a step is taken, parents are always contacted and the reason for such a referral is fully explained and parental co-operation sought.

## Section 7: Support for Pupils

As a parent/carer you can access a wide range of information with regard to additional support needs. The information is available both at your local school and on the Dundee City Council website on this internet page <http://www.dundee.gov.uk/education/support/>

The following are available for you at the above internet page.

- Assessing Additional Support Needs
- Attending Pupil Support Planning Meetings
- Co-ordinated Support Plan

## Section 8: School Improvement

Our School Improvement Plan set out our priorities for improving the school over a period of three years. We have consulted Staff, parents and pupils in deciding our priorities which are being taken forward in the following 4 main projects:

1. Developing the curriculum - We want to continue developing curriculum for excellence, improving your child's learning. We want to raise the standards of achievement, particularly in literacy, numeracy and health and wellbeing, making sure that we all work together to make sure that your child reaches his/her potential. We want to introduce skills days to improve your child's concentration and keep him or her interested in learning. We aim to develop your child's independence skills ensuring your child is becoming more involved in his/her own learning and become life long learners.
2. Learning, Teaching and Assessment - We want to make learning fun. Our Staff have undertaken training in cooperative learning methodology and using the approach in the classroom. We want to make sure that our lessons meet your child's needs.
3. Quality Assurance and Leadership - We aim to develop leadership skills across the school with staff leading working groups and pupils taking responsibility for leading their own learning. We want to improve our systems of gathering and recording evidence.
4. Partnership Working - In partnership, we want to build a community around both Rowantree and our neighbour St Vincents. We aim to involve you in the life of our school, keeping you informed and giving you opportunities to come into school and see what we are doing.

## Section 9: Extra Curricular Activities

At Rowantree Primary School, we offer a selection of extra curricular activities. The activities offered are:

- Hockey Club
- Boys Football
- Arts and craft
- Girls Football
- Dance
- Basketball
- Netball

Pupils at Rowantree Primary School are encouraged to participate in Dundee Primary Schools' Sports Meetings, Music Festivals and other events throughout the year. Our Primary 7 pupils are offered the opportunity to participate in residential outdoor education weekend.

Rowantree's Active Schools' Co-ordinator, Lisa Mitchell, works with staff and pupils to support and develop projects within school that promote daily physical activity.

Rowantree Primary School is one of nine schools in Dundee involved in the ASPIRE Dundee programme. ASPIRE Dundee uses a range of cultural activities including dance, drama and music, as an innovative way to improve health and wellbeing, increase learning and skills, challenge social inequalities and build self-confidence and self-esteem.

Young people involved experience first hand opportunities to work and perform alongside professional artists and musicians and attend professional performances. They are taught using a flexible and individual approach both in school and in the wider community. All programmes articulate with Curriculum for Excellence and are designed to meet local needs and priorities.
