Hospital to the Arboretum

An easy walk on well made paths with some slopes

Directions

From Ninewells Hospital reception, follow the tree signs to the start of the walk. On exiting the rear of the hospital turn right and keep the hospital to your right. Make your way through the car park and take the path signed to Maggie's Centre.

After passing Maggie's, turn right round the car park and cross the road leading to the Arboretum where you keep the information board on your left and take the path down the incline turning left at the bottom. Continue following the route up towards Invergowrie House on your right. At the junction of the paths go right and exit the Arboretum and turn left.

Keeping the hospital to your right, re-enter where you came out of the main hospital building, and follow the route signs to get you back to the entrance of the hospital.

Points of interest

- Check out the great trees of the old Invergowrie House woodland garden.
- A Therapeutic Garden is being developed here.
