Ward 8 The Ferry

What Needs to Change?	Why?	What Will We Do?	Community Priority
We need to take action on the cost of living and climate change	<p>There are data zones that show a particular inequality when compared to the rest of The Ferry ward</p> <p>There is currently no dignified access to food provision accessible for the area</p>	<p>Support development of a Community Fridge to address low income and food waste in the Ferry</p> <p>Support café pilot in Barnhill</p> <p>Conduct a community needs assessment</p>	<p>Climate Change</p> <p>Empowering Communities</p> <p>Cost of Living</p>
We need better support for people in recovery and their families	<p>Recent attempts to allocate ADP locality funding have been limited to a single route of delivery as support services are limited in the ward.</p> <p>A better understanding of the needs of those with lived experience across the ward required for future focused responses and developments.</p>	<p>Increase opportunities for those seeking support around substance misuse and those in recovery.</p>	<p>Health & Wellbeing</p>

We need opportunities to get involved in community life in The Ferry	People report a lack of knowledge of community information/ events/activities and opportunities to influence community life.	Develop a range of opportunities for communities to be better engaged and influence community matters	Empowering Communities
We need to improve life chances for children and families.	There are data zones that show a particular inequality when compared to the rest of the The Ferry ward.	Embed What Matters to You approach to transforming services for Children and Families in The Ferry	Children & Families Health & Wellbeing Cost of Living
We need a community facility in The Ferry	Strong demand from recent engagement for a community facility allowing access to support in a local setting.	Investigate opportunities to develop a community hub to provide access to localised information, support and advice.	Empowering Communities Health & Wellbeing
We need quality green and open spaces that people can access in their own communities	Engagement has identified a strong connection with green spaces across the ward and a desire to be involved in their management and development	Develop structures which allow for community involvement in identifying, developing and taking part in greenspace enhancements	Empowering Communities
